

What a fantastic week we've had at Darnhall. We have been very impressed with how hard the children have been working. Our Spring term **After School Clubs** will start on Monday 19th January. Please remember they finish at 4pm. See the letter on our website for all information. **Year 1 Phonics** and **Year 6 Revision sessions** will also be starting, an invitation letter has been sent via ParentPay. On Monday, for **Reception classes** only, we have a **Winne The Pooh** Themed day. Booking a lunch for this event is via ParentPay. Now available on ParentPay is the booking for the **Valentine Discos**.

Well done to the children who have kept up their reading over the school holidays and have collected their 'reading buddies'

LADYBIRD & CATERPILLAR NURSERY CLASSES

On **Thursday 12th February 2026**, we would like to invite someone special to your child to come into Nursery for a Valentine's theme 'Stay and Play' session.

'Stay and Play' sessions are a really useful way of you getting to see the nursery environment and having the chance to share in your child's nursery experience. The stay and play experience is about getting involved in the session and playing alongside your child. It can be a bit daunting for young children if lots of adults just stand at the side of the classroom observing play.

Stay and play times will be
10:30-11:15am for **MORNING** nursery children
2:15-3:00pm for **AFTERNOON** nursery children
(parents/ carers of children who stay all day can choose either session to attend).

Due to the number of children we now have in nursery we must ask that no younger siblings attend stay and play sessions.

Please note: absolutely NO mobile phones will be allowed to come into nursery due to safeguarding.

Please let Mrs Perrin or Mrs Young know if someone will be attending. Due to space we are asking for only **ONE** special someone per child to attend.

Screen Time & Internet Safety

A Guide for Parents and Carers

Did You Know?

- Children aged 5-15 spend on average 5 hours 24 minutes a day on social media.
- Children aged 8-14 spend on average 2 hours 59 minutes a day on smartphones, tablets and computers.

That's a significant part of a child's day spent online.

Why It Matters

Online platforms use algorithms designed to keep users watching and scrolling. These algorithms can quickly lead children from harmless content to content that may be harmful, upsetting or inappropriate, often without them searching for it. Children may not always recognise when content is unsafe or know how to respond.

Top Tips to Keep Children Safe Online

- Monitor use: know what apps, games and websites your child uses and how long they spend on them.
- Use parental controls: set age-appropriate restrictions on devices, apps, streaming services and games.
- Know when and where your child goes online: be aware of internet access at home, friends' houses and on mobile devices.
- Talk openly: encourage your child to talk about what they see online and reassure them they can come to you if something worries them.
- Set clear boundaries: agree screen-free times (e.g. before bed, during meals) and keep devices out of bedrooms where possible.
- Be a role model: children copy adult behaviour – show healthy screen habits yourself.

Working Together

Keeping children safe online works best when schools and families work together. If you need support or advice, please speak to a member of the school team.
