

## Spring 1 - Year 6

### Knowledge & Understanding of the World

#### RE

Our Religion for Spring 1 is Christianity, with a focus on - If life is like a journey, what's the destination?

#### Science

We will be looking at light and focusing on how we see using our eyes and how light is formed?

### Problem Solving, Reasoning & Numeracy

#### Maths

After completing our division study, our Maths lessons will be focused on area and reflection. Then we will move on to calculating decimals, fractions and percentages.

### Personal, Social & Emotional Development

#### PSHE

Our PSHE topic is about Safety and the changing body. It covers online safety and thinking, puberty and body changes, emotions, first aid and helping others.

### Communication, Language & Literacy

#### Literacy

Narrative: We will be Star of Fear, Star of Hope by Jo Hoestlandt to write our own version of the story.

#### French

Our work for this half term is Sport

### Creative Development

#### PE

Our lessons this half term will focus on Outdoor Adventure Activities (outdoor) based on orienteering and teamwork and Gymnastics (indoor). We will also be going to robinwood this term

#### Computing

Year 6 will be learning about algorithms and flowcharts as well as looking at programming.

#### Art

In our new drawing unit, we will focus on expressing ideas through drawing looking at adding detail and exploring the one point perspective.

#### Music

Our music topic this term is 'Musical Effects and Moods'. We will be exploring different techniques in musicals.
