

Summer 1 - Year 1

Communication, Language & Literacy

Literacy

We will be working with the story 'Toys in Space'. The children will be writing their own story. We will also continue to focus upon capital letters, finger spaces and full stops, as well developing our use of adjectives, conjunctions and many different forms of punctuation.

Problem Solving & Reasoning

Maths

The children will be focusing on the composition of numbers 11-20. They will then move on to learning about measuring and comparing lengths using a range of practical activities.

Creative Development

PE

This half term our PE topics are Athletics and practicing for Sports Day.

Music

We begin to practice our songs for the upcoming Infant Music festival. Then, the children will learn about sound stories and will create their own.

Personal, Social & Emotional Development

PSHE

Our PSHE topic is 'Economic Wellbeing'.

RE

The children will focus on Hinduism and attempt to answer the question, 'What do Hindus believe about God?'

Knowledge & Understanding of the World

Science

This term, we will be focusing on Plants. This will include identifying different types of plants and their parts. We will also explore what plants need to grow and observe changes over time.

Geography

This term, the children will be focus on a China, Shanghai. We will look at similarities and differences, the weather and attempt to answer the question What is it like to live in Shanghai?

Computing

This half term, we will continue to learn about E Safety and how to communicate sensibly. We will also begin to program an animated picture.

DT

This term, we will be focusing on food and nutrition. The children will focus on fruit and vegetables to create a healthy smoothie.
