

Summer 2 - Year 6

Knowledge & Understanding of the World

RE

Our Religion for Summer 2 is Islam - If life is like a journey, what's the destination?

Science

We will be reviewing previous science topics with an emphasis on electricity

Problem Solving, Reasoning & Numeracy

Maths

We will be focusing on reviewing maths topics such as shape and angles. As well as reviewing arithmetic skills

Personal, Social & Emotional Development

PSHE

Our PSHE topic is about transition and getting ready for the next part of our school journey

Communication, Language & Literacy

Literacy

Narrative: This will be sky chasers- where we will be aiming to write the next chapter of the book.

French

Our work for this half term is Café culture.

Creative Development

PE

Our lessons this half term will focus on football and swimming.

Computing

Year 6 will be learning about algorithms and flowcharts as well as looking at programming.

Art

In our new drawing unit, we will focus on expressing ideas through drawing looking at adding detail and exploring the one point perspective.

Music

Our music topic this term is learning songs for our end of year production
