

Autumn 1 - Year 1

Communication, Language & Literacy

Literacy

We will be using Lost and Found by Oliver Jeffers. The children will be writing an adventure story based on a new animal. We will be focusing on sentence structure this half term- using capital letters, fingers spaces and full stops.

Problem Solving & Reasoning

Maths

To begin the year, we will focus on counting to 20, numbers to 10 and 20 and patterns between 20-100.

Creative Development

PE

This half term our PE topics are ball skills: sending, receiving and dribbling and health and wellbeing: the effects of exercise.

Music

The children will begin to explore Music within their classroom. They will use their voiced and body to make sounds, and will explore that there are instruments everywhere.

Personal, Social & Emotional Development

PSHE

Our PSHE topic is 'My healthy self: How can we look after our emotions?'

RE

This half term, we will be focusing on Judaism and answering the question 'Why might some people put their trust in God?'

Knowledge & Understanding of the World

Science

Our new science topic will focus on materials. The children will look at different properties and how to sort them.

Geography

This term, the children will attempt to answer the question 'What is it like here?' This will be a local study of the surrounding streets, Runcorn and our place in the UK.

Computing

This half term we will be learning about E-safety and how to communicate sensibly. The children will also be learning how to edit text and images.

Art

This term, the children will complete a drawing unit inspired by the work of Brianna McCarthy.
