Autumn 2 - Year 5

Knowledge & Understanding of the World

Geography

During this topic, we will be looking at the topic – Where does our food come from? We will be exploring how our food choices have an impact on the environment, how to trade responsibly and are our school dinners ethically sourced?

RE

This half term we will be studying the beliefs and traditions of the Islamic faith. We will be exploring why the Quran is so important to Muslims.

Science

Our topic of 'Materials' focuses on reversible and irreversible changes, properties of materials and combining materials.

Problem Solving, Reasoning & Numeracy

Maths

This half term, our Maths lessons will focus on Multiplication and Division. We will continue to practice the 7, 8 and 9 times tables and we will revise the column methods of addition and subtraction too.

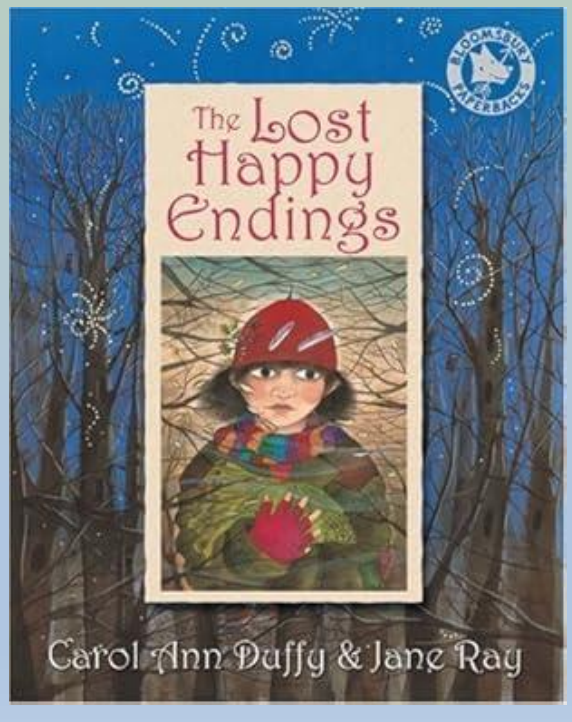

Communication, Language & Literacy

Literacy

Narrative: we will be using the text 'The Lost Happy Endings' to inspire us to write our own traditional style tales.

French

Our work for this half term is called 'Time in the City' and takes us on a virtual tour of Paris.

Creative Development

PE

This half term's P.E. topics are invasion games (outdoor when possible) and dance (indoor).

Computing

This half term we will become film-makers. We will be planning, writing and editing our own videos.

DT

We'll be doing a unit on structures, where we will design and make prototypes for new playground structures.

Music

We will continue to explore rhythmic layers, learning more about rhythm, time signatures, dances, expressive percussion, ostinatos, textures, and notation.

Personal, Social & Emotional Development

PSHE

Our topic is family and relationships
