

## Year 1

Our focus theme for the Summer Term was  
**Down at the bottom of the garden.**

Our focus text was '**Superworm**' by Julia Donaldson.

I loved reading  
Superworm  
because the  
words are funny!  
*Billy*

I liked  
learning about  
the plants in  
the garden.  
*Gabriella*

My favourite  
lesson was  
writing my  
Superworm story.  
*Noah*

My favourite  
part of  
Superworm was  
when the insects  
saved him.  
*Etta*

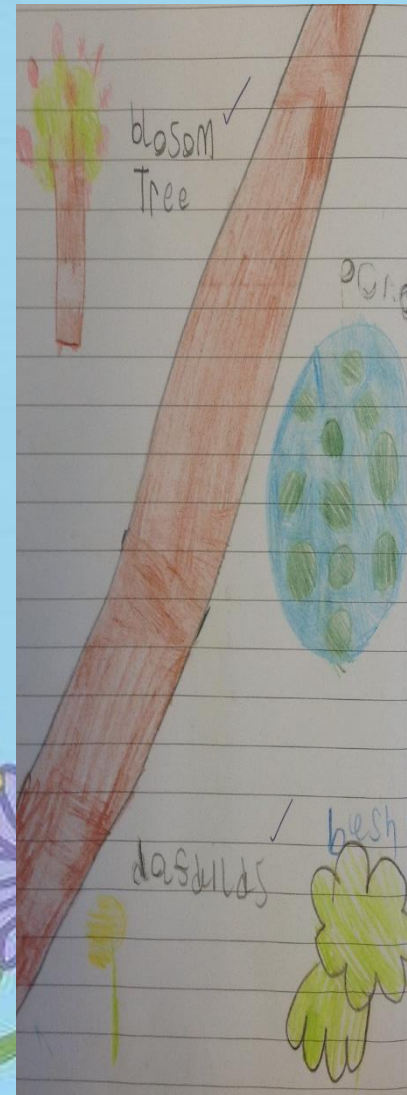

I liked making the  
fruit kebabs and  
chopping up the  
fruit.  
*Felicity*

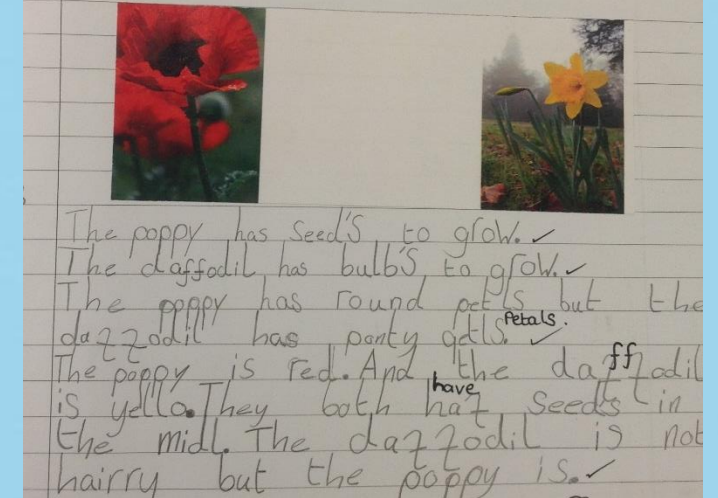

# In Science, we learned about plants.

We looked at what plants we would find in our gardens.

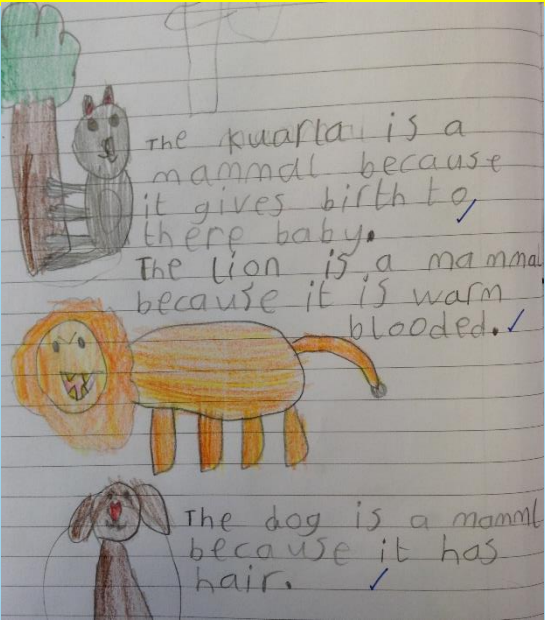

Year 1 looked at the differences and similarities between two flowers.

We learned about the structure of a plant and its functions.

We learned about the five groups of animals and identified animals that are carnivores, herbivores and omnivores.

pets

Living and Non-living

reptiles

WB: 28<sup>th</sup> June 2021  
LO: To know the differences and similarities between fish and amphibians and to name some examples

Fish	Both	Amphibians
Fish live in water but amphibians live in water and on land.  sing! Gills to breathe	Both have gills when they are born.   Lays eggs in water Cold blooded	lives in water and on land  legs!

mammals

Cold-blooded

# Living and non-living

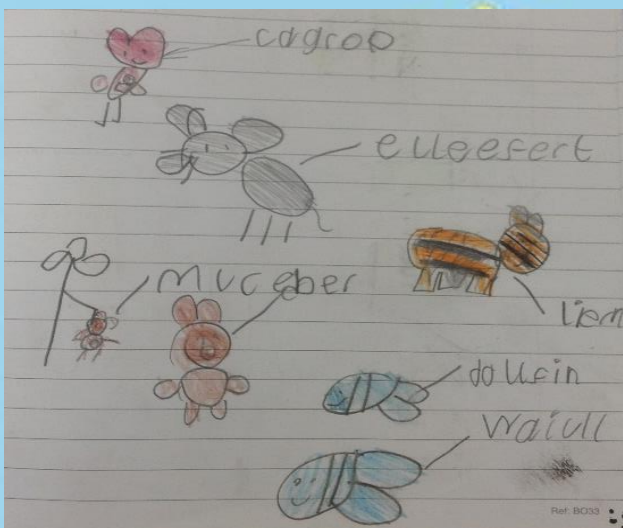

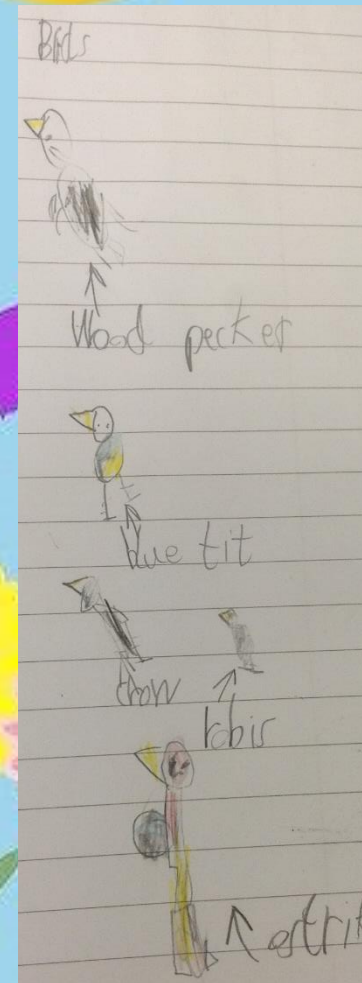

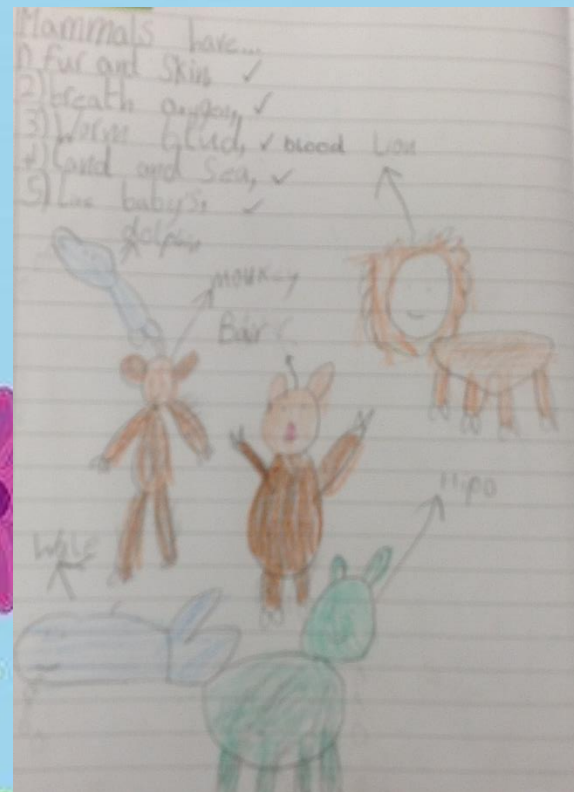

reptiles

mammals

Cold-blooded

pets

Reptiles	Bird
They are cold blooded They can live in water or land they have scales not fur they have scales not fur they have moist skin	they are warm blooded usually have nails hair have feathers lay eggs they fly

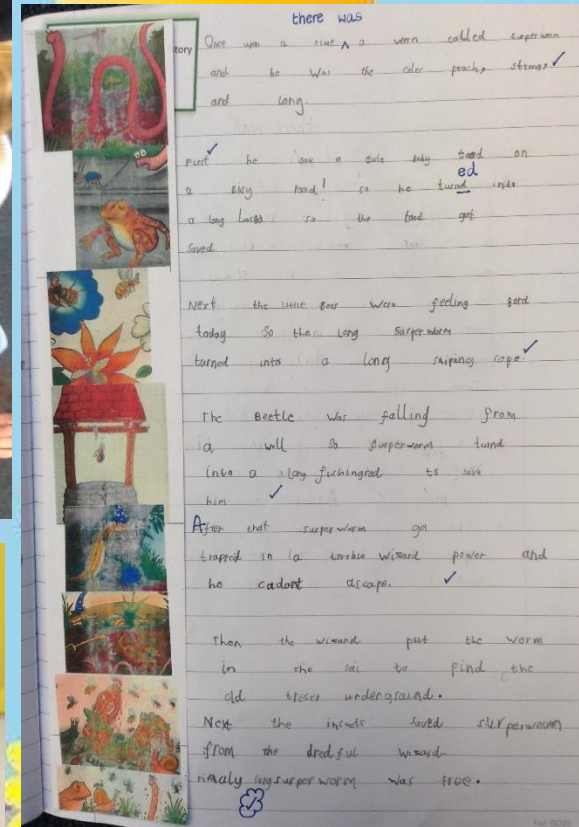

We learnt lots of facts about animals from reading Non-fiction texts.

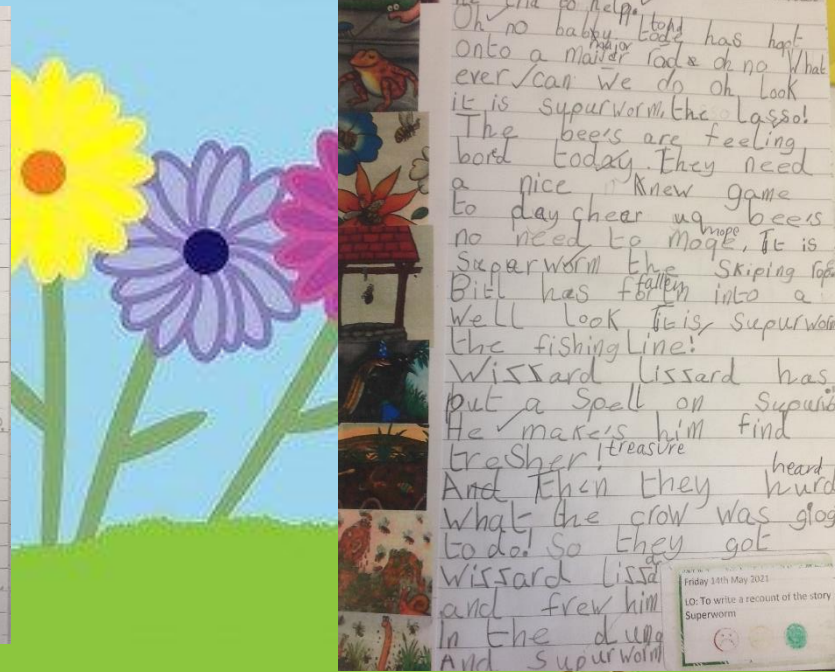

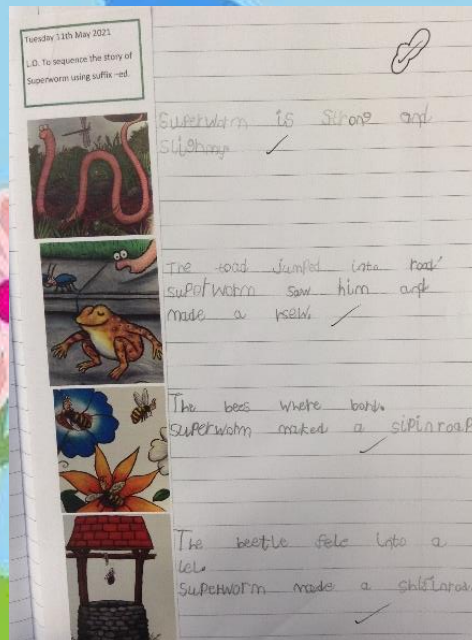

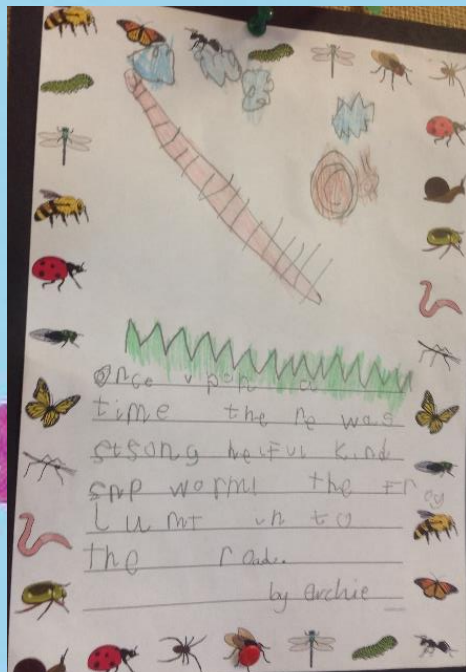

We enjoyed reading and writing about the Superworm story.

Look at all of our fantastic English work on Superworm.

# Look at all of our fantastic English work on Superworm.

Superworm is super strong  
he helped his friends  
they are in trouble  
is also chitwilt.

Superworm helped baby  
because baby toad had  
into the road but Su  
the lasso saved the  
toad.

The bees was very bor  
because they had not  
to do but then Superworm  
them a scipintop.

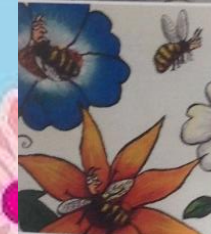

The beetle had fallen  
in the well but then  
Superworm helped by  
a fishing rod then the  
pull the beetle

Superworm helped his friends and  
he is super long and super strong.

The baby toad <sup>jumped</sup> in the road  
and superworm helped to pull  
him to safety.

The bees needed a game to  
play superworm helped three bees  
and made a scipintop.

The beetle fell in the well  
will be drown and superworm  
helped and made a fishing rod  
and saved the beetle.

# Another story we have enjoyed learning about is Caterpillars shoes.

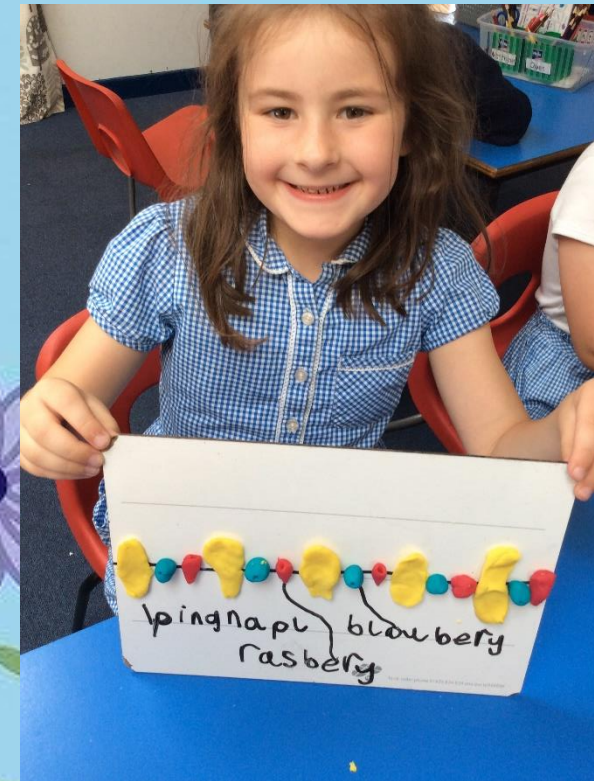

Once upon a time there was a  
emerald green caterpillar and his tail  
was as long as a roller. And all he  
ever was eat and walk and eat  
he had loads of shoes but one day  
they where to tie. So he decided  
to give them away. First he met a  
butterfly would you like my spots?  
my heels yes pl then he a  
he hardly working bee he cater  
pillar asked would you like my  
stripes and yellow stripes yes pl said  
the bee after that he met a lady  
bird. the caterpillar said would you like  
red spots? yes pl said the lady  
bird. Finally the caterpillar had  
no more shoes and he felt tired. then  
he came out of the cocoon and he was a  
big butterfly and he looked down  
and saw all of his friends the ones  
by Owen

upon a  
Once a time there was  
a hungry emerald green caterpillar.  
He ate and walked and ate and walk  
he never stop and there was  
a problem his shoes were not fit. So  
he decided to give them  
away. Then he met a busy  
striped bee would you like  
my yellow and black and  
striped heels. the bee  
said Thank you.  
Then he met a lady bird  
he said would you like  
my spotted shoes  
the lady bird said Thank  
you.  
Then he met a sparrow but  
and it is doing tricks and  
the caterpillar said do you  
want my summery sparrow  
shoes? said the caterpillar  
but fly side thanks.

once upon a time there was  
a long and green caterpillar  
and he was very hungry the  
caterpillar he loved eating and  
walking. one day the green  
caterpillar went for a walk  
and his shoes felt rather  
tired so he decided to give  
his tired shoes away. When the green  
caterpillar went for a walk  
his feet felt really tired so he  
decided to give the tired shoes  
away. He went for a walk, he  
went for a walk so he set  
off and he met a woodpecker  
said a woodpecker like wooden  
clogs? he said Thank you so he set  
off again, he met a spider said  
would you like my toes  
slippers? so he set off again he  
a grasshopper doing little jumps  
and said would you like my  
bouncy shoes? then he was  
tired and made a cocoon.  
the end  
ss 22 222

In D&T, we learned about fruit that grows from plants in the garden. We researched what a fruit kebab looked like and then designed models of our own designs using playdough!

In Design Technology, we made our delicious fruit kebabs and evaluated these!
