

Nursery

Our learning so far...

We have loved using our new outdoor space.

Climbing

Exploring
cause and
effect

We have been learning about sharing toys and making new friends.

Riding bikes

Mark
making

Rolling
down the
hill.

Climbing

Water play

Pretend
play

We talked about how we can use our bodies.

We can ride bikes

We can climb

We have been learning about 'Ourselves' and how our bodies work.

We can talk on the telephone

We can balance

Pretend play

Building in the sand and sharing toys

Imaginative play

We've been very busy!

Creating patterns

Making friends

We have been exploring shape and pattern, using different media and learning to share toys.

Creating pictures

Learning to count

Exploring our senses

Painting pictures

We went on an Autumn walk

We went on a walk around the school grounds looking for signs of Autumn.

Garden chapel

Our Art Wall

Vegetable printing

Exploring our senses.

Exploring the inside of a pumpkin

Leaf printing

Tell me a story...

We have been listening to lots of traditional tales.

We made playdough

We used the playdough to make gingerbread men

Re-telling the story of 'The Gingerbread man'

Imaginative play

Bonfire night

We talked about bonfire night and made some pictures.

Developing fine motor skills.

We used paint and the computer to make fireworks.

We used paint to make fireworks.

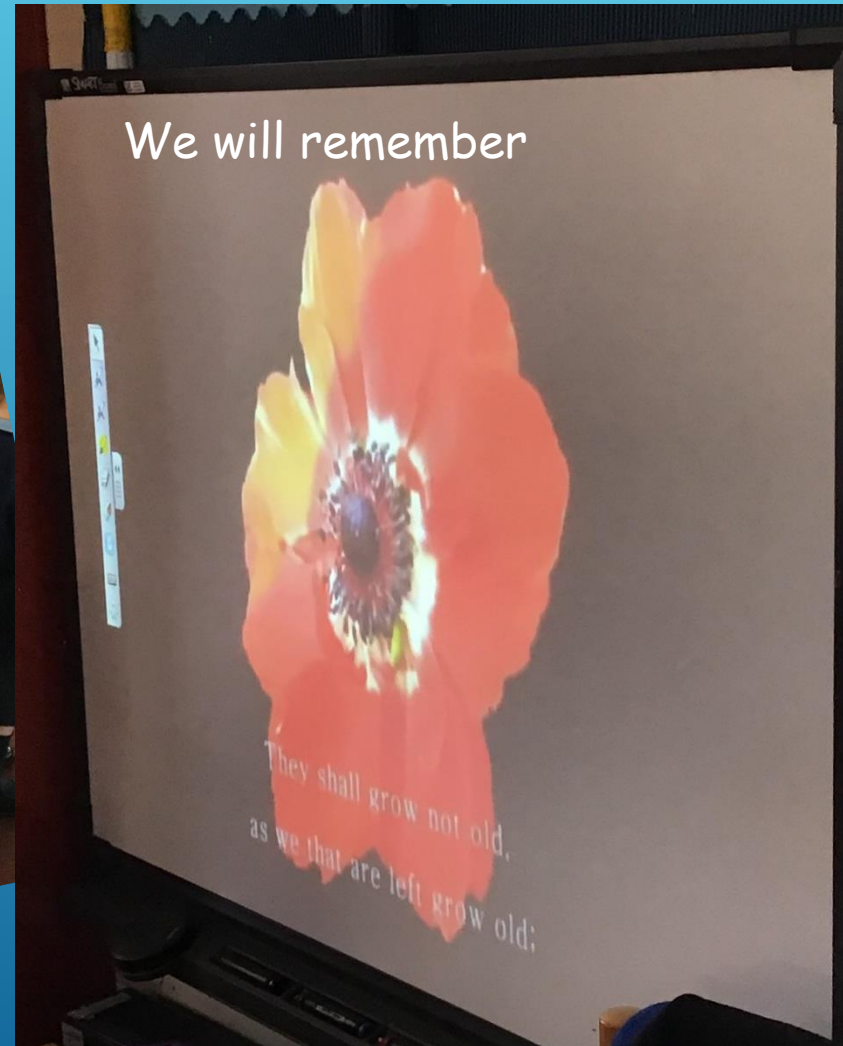

Exploring gloop

We explored malleable materials.

Creating with playdough.

Remembrance Day

We had a 2 minutes
silence to remember
the soldiers.

Physical development

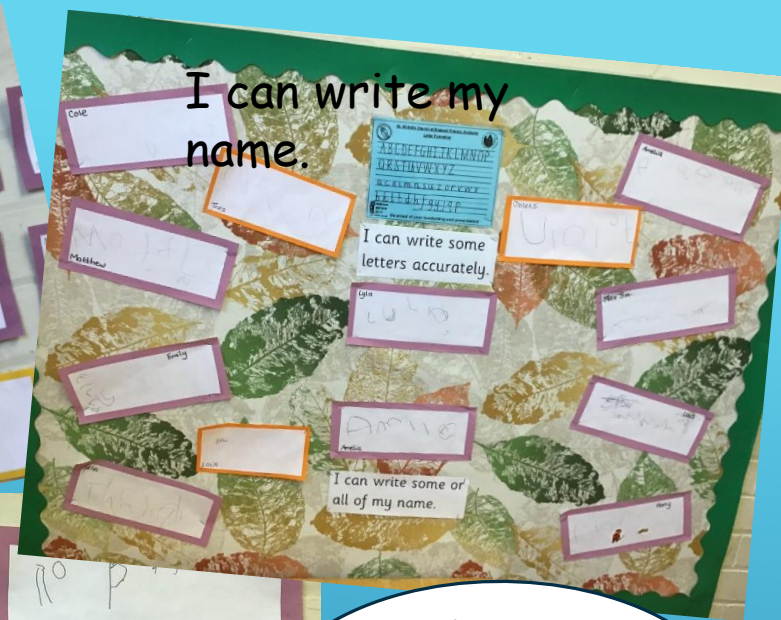

Following instructions

We have been practising yoga

Moving our bodies

We have been practising writing our names.

Writing and mark making

Sensory play

We visit the sensory room every week

Developing balance

Exploring the dark den.

Looking at lights.

We decorated the Nursery Christmas tree.
