

YEAR 5'S CURRICULUM PRESENTATION

A vibrant space scene featuring a bright sun in the center, a large blue planet on the right, and a green nebula in the background. The text is overlaid on the image.

Our focus theme this term
has been 'Out of this World'.

We have been learning all about Earth and Space in
science, other worlds in English and Peter Thorpe,
the space artist, in Art.

English

Our focus text this term has been...

Cosmic is a story all about a young boy who wins an opportunity to travel into space in a rocket.

In English, we have been writing our own persuasive letters to convince Dr Drax that we should be chosen as the next to be sent on a mission into space.

Out of this World

- I**
ing word
e.g. Shaking with fear...
Trying not to blinch...
Driving down the road...
- S**
Simile
e.g. Like a raging bull...
As quick as a flash...
Like a chicken with hot spurs...
- P**
Preposition
e.g. Behind the clouds...
Down by the cliffs...
For every...
- A**
Adverb
e.g. Angrily...
Consequently...
Unfortunately...
- C**
Conjunction
e.g. After he opened his eyes...
The next day...
Before long...
- E**
Ed word
e.g. Exhausted...
Flattered...
Overwhelmed...

Dear Dr. Doo,
I am writing to you because I am
a little bit of a fan of your
show. I have been watching it
for a long time and I love it.
I hope you are well and happy.
I am writing to you because I
am a little bit of a fan of your
show. I have been watching it
for a long time and I love it.
I hope you are well and happy.
I am writing to you because I
am a little bit of a fan of your
show. I have been watching it
for a long time and I love it.
I hope you are well and happy.

Science Fiction

What is a Science Fiction Story?

A sci-fi story is a story that is based around an idea in space, often in a futuristic world or outer space or on another planet. Sci-fi stories often involve the adventures of astronauts, aliens or robots.

Sci-fi stories often feature:

- a creature from another world on time
- characters feelings to build tension
- a futuristic or space-themed setting
- short, snappy sentences for effect
- imaginary, futuristic terminology

[illegible]

Space Reading

We have been doing lots of reading about Space, and learnt lots of new and exciting facts! Check out what we have been reading...

Earth and Space

Science

In science, we have been learning all about Earth and Space!

We learnt about how the Earth and other planets move in relation to the Sun in our solar system!

Out of This World!

Earth

Moon

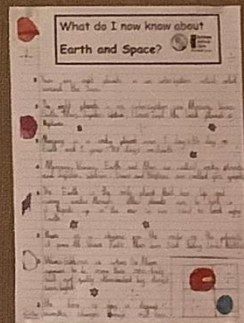

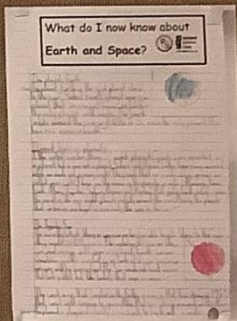

solar system

astronomical

planet

spherical

revolve

Also in science, we have been learning about the different moon phases

What moon phase can you spot in the sky tonight?

We recreated the phases of the moon using chalk.

Peter Thorpe

Powered Orbit

Mars Landing

Standing Ready

Rocket #25

Rocket Race

Rocket #35

Rocket #17

Rocket #51

In art, we have been studying the work of Peter Thorpe and created our own impression of his art work.

Peter Thorpe was an American artist who created abstract paintings of rockets using left over paint.

pattern

colour

shade

We have used the 3 primary colours (red, yellow and blue), white and black.

brushstrokes

Can we paint what we can't see?

tone

"I started the rocket paintings in the 1980s as a way to use paint that I would have otherwise thrown away. After each commercial job I did, there would be a pot of half full of paint left over and I pointed me to toss it, but the next painting required a new palette. I finally occurred to me that I could easily paint on abstract background and a little based on colour with the left over paint."

"But what should I do with the abstracts?"

"I started to do figures, landscapes, and, at a long time space, for rockets and planets on top of the backgrounds. Some of the figures and landscapes got noticed, but everyone loved the rockets."

splatter

tint

We have studied the Artist Peter Thorpe, he was interested in space and started the rocket paintings in the 1980's.

We created secondary colours, tints and shades.
