We used our fieldwork and observational skills to create a map of our surrounding environment.

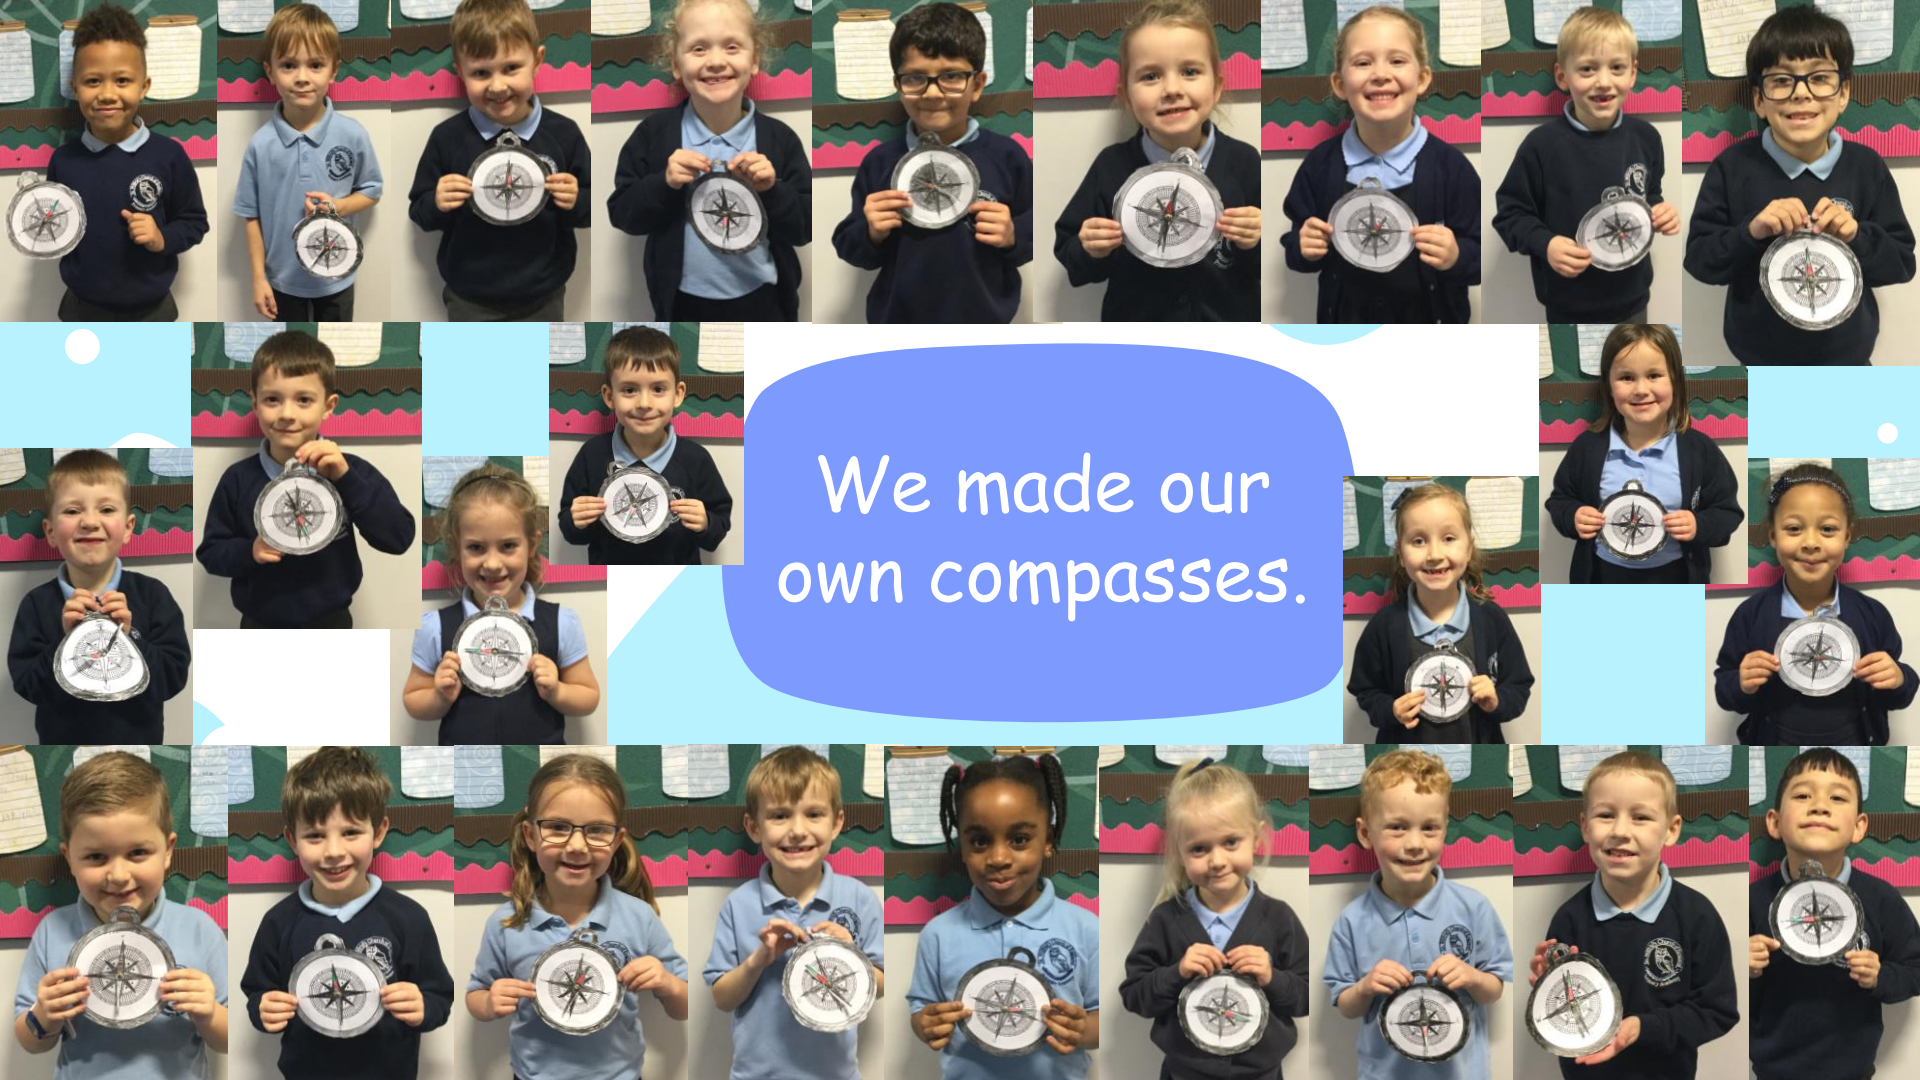

We used a  
compass to follow  
simple compass  
directions.

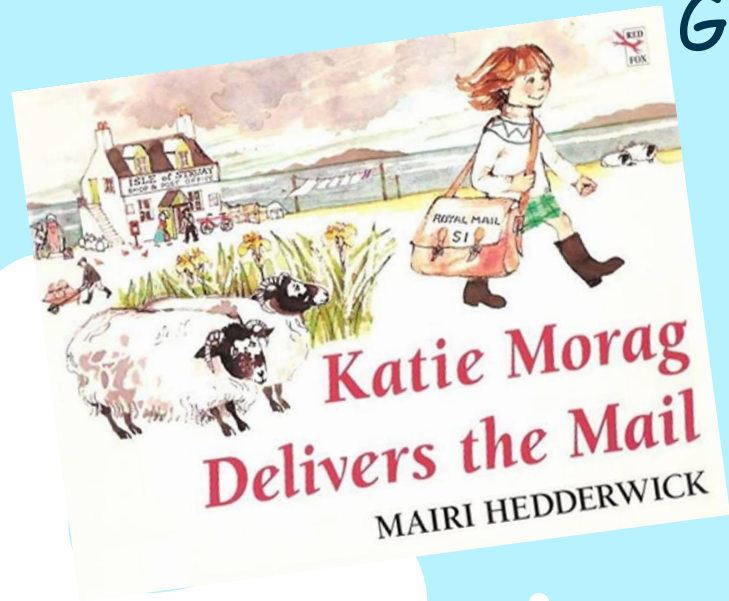

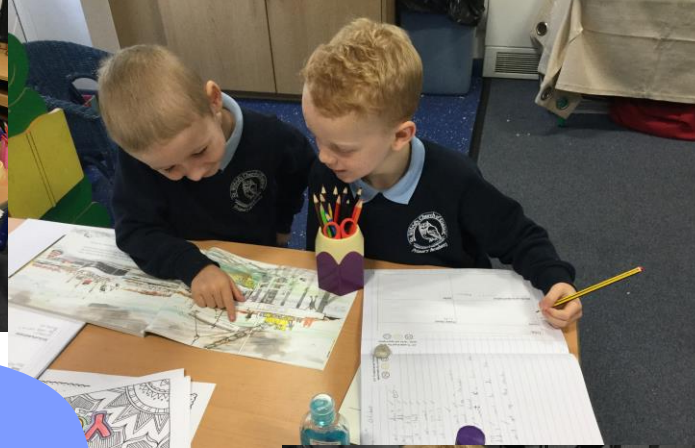

We made our  
own compasses.

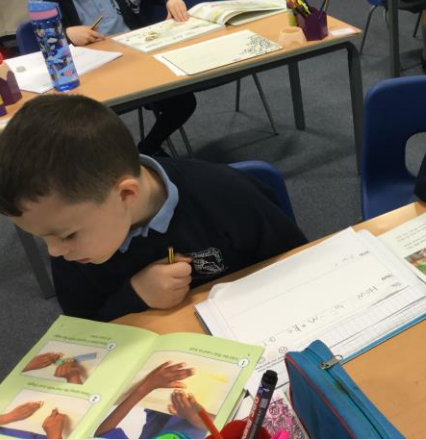

Our focus text was Katie Morag. We enjoyed reading lots of stories from the Katie Morag collection such as, Katie Morag Delivers the Mail and Katie Morag and the Two Grandmothers. 🌟

We searched for  
different features in  
writing and the setting  
of the stories.
