Welcome to the Summer Term in Year 5!

Year 5 Team: Mrs. E. Prentki, Mrs. L. Cunliffe, Mrs. S. Melling, Miss L Beckwith and Mrs. H. Pearce
Upper Key Stage 2 Phase Leader: Mrs. E. Prentki

Summer Term Focus Theme and Focus Text:

It's all Greek to me!

"It's All Greek to Me!" immerses children in the fascinating world of Ancient Greece. Through their history unit, they explore the rich culture, mythology, and achievements of this influential civilisation. The focus text 'Who Let the Gods Out?' by Maz Evans, along with Greek Myths and 'Fantastic Beasts and Where to Find Them' by J.K. Rowling, fuels their imagination and deepens their understanding of Greek mythology and its lasting impact. In Design Technology, children apply their knowledge by constructing an Ancient Greek Marble Run, exploring structures inspired by Greek engineering and architecture. An Ancient Greek workshop brings history to life, offering hands-on experiences with Greek artefacts, games, and traditions.

Home Learning

Spellings: Children will be given an age-appropriate spelling list on Monday and will be tested the following Monday.

Reading: In order to be competent readers, children need to read regularly at home and school. Parents/Carers are asked to encourage their children to read regularly and to read for pleasure. We ask parents/carers to sign and date Reading Records every time you hear your child read (we expect a minimum of four entries/comments a week). This is an ideal opportunity to question your child on their understanding of the text, to improve their comprehension skills and vocabulary. Reading Records must be brought into school on Monday, for teachers to sign and monitor. Children will be given opportunities to change their reading book when they need to but at least every week.

Library (KS2 only): Children will have the opportunity to change their library book once a week.

Maths (Year 1 to Year 6): Children will be given a weekly home learning task in Maths, to be given out every Monday, to consolidate the learning that has taken place in school during the week. This needs to be returned to their child's class teacher by the following Monday.

Multiplication Tables (Year 1 to Year 6): Children have got access to TT Rockstars, a maths programme focusing on multiplication tables link. Please encourage your child to use this online programme on a regular basis. If you do not know your child's username and password please contact helpdesk@saintwilfrids.wigan.sch.uk stating your child's full name and class.

Home Learning Project: Children will be set a Home Learning Project, related to their termly focus theme. This is usually a practical task, which families can work with children on together and share in school.
