Autumn Term Focus Theme: Rise of the Romans

Rise of the Romans is a history-linked focus theme that immerses children in the Roman Empire and its impact on Britain. Through the focus texts Romulus and Remus and Escape from Pompeii by Christina Balit, children explore Roman myths, daily life, and natural disasters, bringing the era vividly to life. These stories deepen their understanding of Roman culture, values, and the lasting legacy of the empire. In Design Technology, pupils take part in a cooking and nutrition project inspired by Roman food.

A visit to Ribchester, a site full of Roman heritage, allows children to explore real artifacts and see the enduring influence of Roman Britain firsthand.

School Social Media Accounts to follow:

Facebook: <https://www.facebook.com/stwilfridsceprimary/>

Purple Mash: Children have access to this online platform at home, where they can enjoy educational games and use resources to enhance their learning. This will be used within school and available for children to use at home.

Home Learning

Spellings: Children will be given an age-appropriate spelling list every Monday in their Spelling Record Book and will be tested the following Monday.

Reading: In order to be competent readers, children need to read regularly at home and school. Parents/Carers are asked to encourage their children to read regularly and to read for pleasure.

We ask parents/carers to sign and date Reading Records every time you hear your child read (we expect a minimum of **four** entries/comments a week). This is an ideal opportunity to question your child on their understanding of the text, to improve their comprehension skills and vocabulary. In Year 4, Reading Records must be brought into school on Monday, for teachers to sign and monitor. Children will be given opportunities to change their reading book every week.

Library (KS2 only): Children will have the opportunity to change their library book once a week. Year 4's library afternoon is **Monday** - Please ensure that your child brings their library book on this day if they wish to change it.

Maths (Year 1 to Year 6): Children will be given a weekly home learning task in Maths, to be given out every **Friday**, to consolidate the learning that has taken place in school during the week. This needs to be returned to their child's class teacher by the following **Wednesday**.

Multiplication Tables (Year 1 to Year 6): Children have got access to **TT Rockstars**, a maths programme focusing on multiplication tables [link](#). Please encourage your child to use this online programme on a regular basis. If you do not know your child's username and password please contact helpdesk@saintwilfrids.wigan.sch.uk stating your child's full name and class.

Home Learning Project: Children will be set a Home Learning Project, related to their termly focus theme. This is usually a practical task, which families can work with children on together and share in school.
