Week 8	Chapter 20: Space		
Week 9	Chapter 1: Numbers to 10		Chapter 10: Numbers to 40
Week 10			
Week 11	Chapter 2: Number Bonds	Chapter 11: Addition and Subtraction word problems	Assessment Week – completed in small groups
Week 12			
Week 13	Chapter 3: Addition within 10		
Week 14			
Week 15			

1. Mastering Number **must** be taught 4 times a week to ensure the children are being exposed to number throughout Autumn 1. This needs to start immediately in September.
2. Due to low GLD, maths journals are to be whole class, with tapestry observations as evidence until at least October half term. There are example pages in the maths folder to be shared with you. A3 books will be purchased and delivered to each class.
3. Journals to be introduced a group at a time after October half term and the other children will continue with the class journal.
