Christianity Year 1

What do we think about how the world was made and how we look after it?

RE Skills to develop

I can retell a religious story using prompts and know that it is from a sacred text and is special to some people.
 I have started to share my opinions and say what is important to myself and to others.
 I can ask questions about me, and who I am, showing awe and wonder.
 I can ask puzzling questions about Creation and God.

Our Enquiry Steps:

What beauty can you see in the world around you?
 What does beauty mean?
 What does the Bible say about how the world was created?
 What other views are there about how the world began?
 How did St Francis care for creation?
 How can we be stewards of creation?

Our End Points:

Emerging: Be able to tell you some of the days of creation and how God was pleased with his world. They will be able to tell you where to find this story in the Bible.

Expected: Be able to retell the Biblical narration of the Creation in stages (although not necessarily in the correct order) and will understand the idea of God as a creator. They will be able to notice beauty in their everyday environment as well as their favourite places. They can explain what they consider to be beautiful.

Exceeding: Have an awareness of how faith can mean that you wish to look after the world in which you live. For Christians this means caring for the world as God would want you to care. Start to explain how faith can mean that you want to change your life to help others.
