

NEWSLETTER 59 – Friday 3rd July 2026

Dear Parents/Carers,

My final visit as Head teacher of the school involved leading the Year 6 visit to the Lake District. The children had a wonderful time exploring the area through walks to Grizedale Forest and Tarn Hows as well as a special final day when they returned home via a lake cruiser, steam train and coach, but also visited the Motor Museum. In addition, they enjoyed a day of water and team building activities including paddle boarding, raft building and kayaking. A great time was had by all despite the excessive heat!

Reports

Reports will be sent out on Friday 3rd July at the end of the school day, these will be sent via Class Dojo. Attendance reports will be sent out via the school office via email. Year 1 Phonics Screening and Year 4 Multiplication will also be sent out by the office separately. Year 6 SATS results will be shared after we receive the results on the 16th July.

Please see the message below to inform our families about the summer holiday support from the Crisis and Resilience Fund (CRF).

Summer holiday support is available for families

Families who receive Free School Meals and need help with essential food costs during the summer holidays can apply for support through the Council's Crisis and Resilience Fund (CRF).

Applications for summer holiday payments will open on Tuesday, 30 June 2026 and close on Monday, 31 August 2026.

Apply online: <https://www.cheshirewestandchester.gov.uk/residents/benefits-and-welfare-help/cost-of-living/crisis-and-resilience-fund/school-holiday-support-payment>

Changes to the CRF from September 2026

The Crisis and Resilience Fund replaced the Household Support Fund in April 2026. It ensures that financial support is available for families who need it and gives longer term support to boost income and manage debt.

To support families during the transition to the Crisis and Resilience Fund, so far payments have been awarded to all applicants who were in receipt of FSM and provided requested evidence. The same approach will apply during the summer holidays.

From September 2026, however, the Crisis and Resilience Fund will solely be there to help people who experience an unexpected financial crisis. Applicants will need to explain the financial shock they have experienced and how this has placed them in crisis.

Expanded Free School Meal eligibility from September 2026

From September 2026, all pupils in households receiving Universal Credit will become entitled to free school meals (FSM).

Pupils who already qualify because their household earnings are £7,400 or less will continue to qualify. The change will extend entitlement to more families, meaning more children will be able to apply to receive Free School Meals.

Not just school holidays

If you aren't in receipt of Free School Meals, the [Crisis and Resilience Fund](#) can still help you with various costs. Visit the webpage for more information about support with:

The Summer Reading Challenge - a FREE, UK-wide programme – will be launching this year on Saturday 4 July. You can make a huge difference by encouraging your child to take part in the Summer Reading Challenge. It's the UK's biggest reading for pleasure programme for children aged 4 to 11, delivered via public libraries. Children can sign up for free at their local library or online.

In 2025, over 575,000 children took part. Together, we can make 2026 even bigger and get even more children fired up about reading! Last year, in Cheshire West and Chester, 4 699 children joined the Challenge.

- During last year's Challenge, children read almost 12 million books
- It's simple and free for every child to take part, and libraries run free activities for families throughout the holidays the wider community

For children who took part in 2025:

- 97% of participants increased or maintained reading enjoyment
- 73% read more over the summer – and 98% are now reading every day or nearly every day
 - 62% of families talk more together about books and reading

How it works:

- Children can sign up at their local library from Saturday 4 July, where they will receive a special sticker booklet, or online via www.cheshirewestandchester.gov.uk/read.
- They set a summer reading goal and choose books, eBooks, or audiobooks of their choice – logging their reading with the library will earn stickers.
- Libraries will be running a programme of free themed events and activities such as animal handling, music sessions, a mini planetarium and a storyteller. These can be booked via the relevant library from Saturday 4 July or via Ticketsource from Monday 20 July.
- Children who complete their goal are presented with a certificate and/or a medal. All who complete will be entered into a prize draw for a karaoke machine (one machine per library).

Combining FREE access to books at local libraries with creative activities to take part in during the summer holidays, the Summer Reading Challenge is the perfect way to support your child's learning during the holidays, ensuring they return ready for a great start to the new academic year.
