Year 3 Homework: Autumn 2 2026

Choose 1 homework task to complete each week. Please bring your completed homework in to school during the week beginning **Monday 14th December 2026**. Dojo or email year3@highstreet.cheshire.sch.uk with any questions.

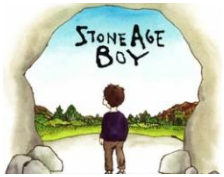

English

We are reading a book called 'How to Wash a Woolly Mammoth'. The book gives step-by-step instructions explaining what to do if a 'very' dirty woolly mammoth arrived at your house! What real, extinct or imaginary animal would you like to wash? Write the instructions for how to wash your animal.

English/Reading

We have started to read a new story called 'Stone Age Boy' by Satoshi Kitamura. It is about a boy who travels to the Stone Age and lives with a Stone Age family. If you could travel anywhere in time, the past, present or future, where would you go and what would you do there? Can you find and read a book (non-fiction or fiction) about or set in the past?

Maths

We are continuing to work on our addition and subtraction skills this half term. We have been learning how to add and subtract 3-digit numbers with and without renaming like: 263+415, 358+426 and 759-236, 874-329

Ask an adult to write some 3-digit questions for you. Use Numbots to continue to practise your addition and subtraction skills.

Science

This half term, we are learning about different types of rocks and soils. Go on a 'Rock Scavenger Hunt' in your garden or local park. Can you find: a smooth rock, a bumpy rock, a shiny rock, a beautiful rock, a rock with 2 or more colours. Photograph or draw your rocks and label them.

Science / History (Adult Assistance Required)

Our school logo is a picture of a dripping salt basket, we will be learning about how and where salt is formed. Watch this video to find out how to grow salt crystals and have a try at growing your own at home.

Youtube - How to Make Your Own Salt Crystals
https://www.youtube.com/watch?v=9zoh-COQAQM

History

We will be learning about the different tools that Stone Age hunter-gatherers used to make things and hunt animals.

Can you make some Stone Age tools at home? You can use sticks and stones, or other objects from your home or garden.

PSHE – Wider World

It is always important to be kind, but more so when we are online. Design a poster about being kind online and why it is important to only share kind and thoughtful comments. You can draw pictures and explain why being caring towards others will make everyone happier online.

French

This half term we are learning how to speak and write about ourselves in French. Can you create a fact-file about yourself in French? You can write it or record yourself speaking about yourself. You can include how to say your name (Je m'appelle...), your age (J'ai ... ans), where you live (J'habite a...) and the type of house you live in (...dans un...)

Art & History

We are linking our artwork to our Stone Age topic by looking at cave drawings and paintings. Over the next few weeks, we will be developing our drawing skills. Lots of cave drawings were pictures of the animals that the people hunted. Can you create your own Stone Age cave drawing?
