

Dear Parents/Carers,

We are so excited to meet your children this Thursday!

As we prepare to set up our home corner role-play area for September, we would love to include photographs of the special people in your children's lives. If possible, please bring a copy of a photo (not the original) that we can display in the home corner—ideally before September, if you can 😊.

Thank you so much—we cannot wait to see you soon!
