Make an all about me collage to bring into school in September

Hello friends!

When you start school, we will be exploring our first topic, All About Me . We can't wait to learn more about you.

Your challenge today is to create an 'all about me' poster or collage. Draw pictures, cut out photographs and/or decorate your poster to show us who you are, what you like to do, where you like to visit, things you're good at etc.

You've got all summer to do this challenge! Bring it to school in September for all your new friends to see.

This is our final challenge. We really hope you've enjoyed having a go at these activities.

Have a wonderful summer and we will see you in September 😊

From, Miss Berks and Mrs McDonald
