## Y4 Weekend Residential To PGL

Year 4 had a fantastic time at PGL and took part in a wide range of exciting activities. The children worked brilliantly together to design and build their own raft before testing it on the water, challenged themselves on the high ropes and showed great skill during archery. Throughout the trip, their behaviour was excellent and they represented the school beautifully. Thanks so much to all the staff who gave up their weekend to take the children away.

## Y3 Macclesfield Museum Trip

The Year 3 children thoroughly enjoyed their trip to Macclesfield Museum. They got to take part in 3 exciting activities. 'Marianne Brocklehurst' gave us a fabulous tour of her ancient Egyptian Museum, the children made 'Anubis' masks and they got to handle replica ancient Egyptian artefacts. The children showed off all of the knowledge they have learnt this half-term and the museum staff were very impressed with what they knew. Heidi said, "The art was really fun as we got to decorate the masks." Florence said, "The timeline activity was great!"

## Parent Questionnaires

Thank you to everyone who returned our recent questionnaire and for the many lovely comments. We are very pleased with the positive feedback we have received and have contacted individual parents, as necessary, with any queries that were made.

**97% of parents said their child feels happy at school.**

**99% of parents said their child feels safe at school.**

**97% of parents think school makes sure pupils are well behaved.**

**96% of parents think that their child does well at school.**

**99% of parents think that there is a good range of subjects available at school.**

**96% of parents said that their child can take part in after school clubs.**

**99% of parents would recommend this school to another parent.**

**99% of parents said that school makes them aware of what their child will learn during the year.**

**96% of parents said that school lets them know how their child is doing.**

**96% of parents said that school supports my child's wider personal development.**

We are very proud of our broad and balanced curriculum. A reminder that curriculum letters are emailed out at the end of each term detailing what your child will be learning the following term. These can also be found on the Year Group pages of the website. Also, all teachers are outside at the end of school every day if you need to have a quick word or are available for a call or via email if you need to contact them at any time.

## 3T Class Assembly

On Monday 11th May, 3T performed their class assembly inspired by their learning on Ancient Egypt. The children worked incredibly hard, and it was wonderful to see how much they had enjoyed exploring this fascinating period in history. Through their performance, 3T brought their learning to life by sharing their knowledge of the River Nile and its importance, the role of powerful pharaohs, the process of mummification, and the important work of scribes.

They showed how this topic helped them understand how people lived in the past and how different roles contributed to society. Their assembly highlighted creativity, teamwork and growing confidence, with every child playing an important part. 3T reminded us that learning about history helps us to see the world from different perspectives and appreciate how much life has changed over time. Their enthusiasm and cooperation shone throughout.

## Class Photos

We have taken class photos this week which have been put onto Google Classroom. These are just mementos of the year and have been taken by us in order to save parents having to buy them.

Have a lovely half term holiday. School starts again on Tuesday 9th June 8:40am.

## Sports Day Success At Great Moor Junior School

This week, our pupils have been absolutely fantastic during their Sports Day events. Every child showed incredible determination, enthusiasm and effort throughout the activities, always trying their very best and supporting one another brilliantly. It was wonderful to see so many examples of our school values being demonstrated, including co-operation, respect, kindness, responsibility and tolerance.

The pupils should be extremely proud of the hard work, resilience and positive attitudes they showed all week. Whether competing in races, field events or cheering on their classmates, the children represented Great Moor Junior School superbly.

A special mention must also go to our amazing Year 4 and Year 5 Sports Day Event Helpers, who did an outstanding job supporting the events. They helped organise equipment, guide pupils, encourage younger children and ensure the days ran smoothly. Their maturity, responsibility and leadership were excellent and they were a real credit to the school.

### **New Millionaires**

No new millionaires this week but Hattie and Inaaya in Year 6 are getting very close with 972,836 and 971,558 words respectively!

Word count leaders in each year are:

Year 3= Jack B with 391,797 words!

Year 4= James M with 2.7 million words!

Year 5= Dexter L-W with 3.1 million words!

Year 6= Nick V with 5.2 million words!

# ONLINE SAFETY NEWSLETTER

## RECOGNISING CLICKBAIT – AVOIDING MISLEADING HEADLINES.

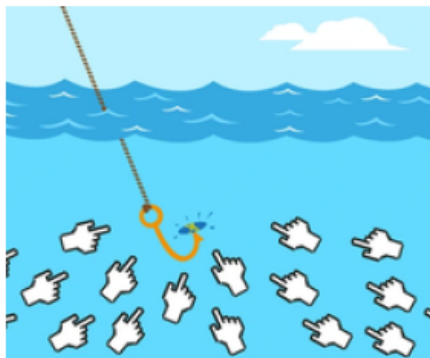

ISSUE 25

### WHAT IS CLICKBAIT?

Clickbait is becoming more and more prominent online. Sensational headlines, thumbnails and titles designed to grab attention.

Clickbait titles use exaggerated or sensational language and they often leave out key facts or twist details to encourage you to click on a story or video.

Always take a moment to check whether the information comes from a trusted source. If a headline seems overly dramatic or too good to be true, the story may be misleading or inaccurate.

### SIGNS OF CLICKBAIT

Spotting clickbait headlines and titles online is can be quite simple. The following are usually signs of clickbait:

- **Sensational topics** - Headlines may include outlandish claims that seem impossible.
- **All caps/exclamations** - Clickbait headlines are often capitalised and have exclamation marks to grab attention.
- **Urgent language** - Clickbait titles often use phrases such as 'Read now!' or 'You won't believe this!' to pressure users into clicking.
- **Trending topics** - Clickbait articles will usually be linked to a popular news topic.

### APP SPOTLIGHT - FACEBOOK

This week's app spotlight is Facebook.

Facebook can help children stay connected with friends and family, but it also comes with risks such as exposure to inappropriate content, online scams, and cyberbullying. Encouraging children to think carefully before sharing personal information online can keep them safer while using social media.

- The recommended age for Facebook is **13+**
- If your child uses Facebook, encourage them to tell a trusted adult if they see something upsetting or receive messages or friend requests from strangers
