

Year 3 overview Autumn Term 2025

English

We will be basing our learning around the books 'Seal Surfer' and 'Winter's Child'. Following our Pathways to Write scheme, we will be learning how to use prepositions and adverbs to express place, cause and time.

Maths

In Maths, we will be looking at the place value of numbers to 1000 as well as adding and subtracting two 3-digit numbers. The children will be following our Power Maths scheme.

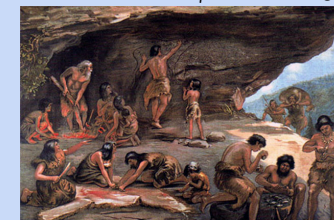

Science

In Science, we will be looking at Rocks, Soils and Fossils and Animals Including Humans. Within these two units, we will organise rocks and soils into different groups based on their properties and understand how fossils are formed. We will also learn about animal skeletons.

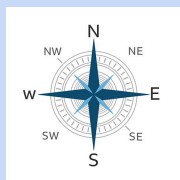

History

In History, we will be learning about Prehistoric Britain. We will particularly be focusing on the Stone Age. Within this topic, we will understand the chronology of the periods and think carefully about how we know about prehistory. We will look at how daily life changed.

Geography

We will be exploring the United Kingdom. We will be using our 8 compass points to help us describe the location of the different regions of England. We will be able to name and locate a variety of counties across the UK.

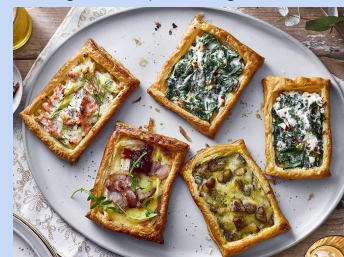

Art

This term, we will be developing our drawing skills. We will be looking at making accurate observational drawings and tone by shading. At the end of the unit, we will make our own compositions. We will also explore prehistoric art. Making our own paint and cave paintings.

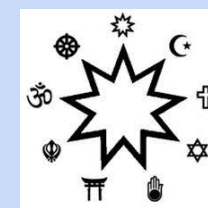

D&T

We will be looking at food technology this term. We will be making vegetable tarts using seasonal ingredients. We will explain why food comes from different places around the world. We will also be developing our cutting and peeling skills.

RE

This term we will be looking at Hindu Dharma, asking 'How do Hindus view God and how is Diwali celebrated?'. Then in the second half term, we will be learning about the religion Baha'i.

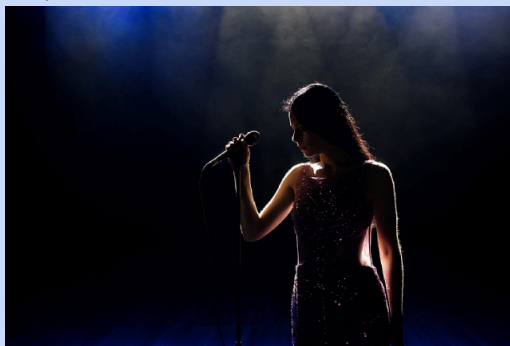

PSHE

We will begin continuing to follow 'My Happy Minds'. We will begin by 'Meeting our Brain'. After half term, we will then complete our 'Celebrate' unit which looks at how amazing we all are and delves into our Character Traits.

Music

In music, we are going to be listening to different ballads and then have a go at writing our own. Then we will compose our own piece of music in response to an animation.

PE

In PE, the children will be focused on invasion games such as netball, hockey and football. The children will learn different skills and techniques to help the attack and defend.

MFL

In French, we will be learning different ways to greet each other. We will also refresh our learning of numbers and colours.

Computing

In Computing, we will be learning how to type on a computer and apply these skills when learning about Emails. The children will use PurpleMash to send and respond to emails. We will also be looking at how to stay safe online.

Additional information- We ask that children read at home 3 times a week and practise their 2,3,4,5,8 and 10 times table using TTRockstars. The children's PE day is **THURSDAY**. Spellings will be sent home every Monday. The children may wish to use SpellingShed to support their learning of these.
