

Year 1/2 overview Autumn Term 2025

English

We will be reading 'Troll swap' and 'The Owl Who Was Afraid of the Dark'. We will use these to help build on our vocabulary to describe characters. We will write narratives about personal experiences and those of others. Year one children are focussing on developing their understanding of a sentence. Year 2 children are exploring using expanded noun phrases.

Maths

Year 1 children are beginning their power maths journey. They are exploring numbers to 20 and beginning to add and subtract numbers to 10. Year 2 in Power Maths we will be consolidating place value and ordering numbers to 100. We will be using related number facts to add and subtract numbers and moving on to solving word problems. We also learn to name and describe 2D and 3D shapes. We will also develop our fluency skills by using 'Fluency Bee'

Science

In Science we will be looking at everyday materials. We will be investigating what happens to materials when they are squashed, bent, twisted and stretched. We will then focus on Animals including Humans. We will look at different animal offsprings and know what humans need to survive.

History

We will be looking at the famous event- the sinking of the 'Titanic' - looking at causes and consequences of this event and the impact it has had on modern boats'

Geography

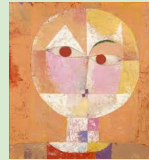

We will be exploring the area where we live by focusing on the country of Cheshire.

Looking at both human and physical features in Cheshire and the Major city of Chester.

Art

We will be looking at the artist Paul Klee. We are exploring and developing our drawing skills by creating different types of lines.

D & T

We will be focusing on textiles. We will be designing and making our own pouch. We will learn how to do a running stitch and how to attach decorations to our pouch

RE

Year 2 will be learning about the religion of Judaism. We will find out about the Jewish religious book and where Jewish people worship.

Year 1 children will be learning about Christianity and belong to a group.

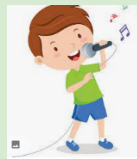

PSHE

We are starting our 'Happy Mind' journey this term. We can't wait to get started on our journals. In our discovery sessions we will be learning about friendships.

Music

In music we will be using our bodies and vocals to make sounds

PE

In PE we will be playing games. We will be learning skills of dodging and jumping. We will work together as a team.

Computing

We will developing our keyboard skills to navigate through Purple Mash and explore different tools.

Additional information

- PE is on a Tuesday - Please come to school in your PE kit, our extra session is on Monday - please have trainers in school
