

### Literacy

In Literacy this half term we will be reading the text 'Lost and found' and using this as a starting point for our writing.

As the season changes we will also write some Autumn Poems in time for harvest.

### Science

In Science we will learn about materials. We will also complete an investigation looking at how some materials change over time.

We will think about the best material for different purposes. Over the course of the year we will be observing the different seasons.

### Art

In Art we will be looking at the artist Romero Britto and developing our drawing skills by exploring different lines.

### RE

In RE we will discuss what it means to belong. We will share our own experiences and ask and answer questions about ourselves.

### Maths

In maths this half term we will be learning the place value of numbers. We will also be introduced to addition and subtraction.

## Year 1 Autumn 2022

Welcome to Year 1, the children are working really hard and adapting to a different approach to learning. We are encouraging the children to be more independent.

### Additional information

This half term we will be going on a local walk to Hopley House. Collins ebooks are available for reading books online but children will also bring home reading books. PE day is on a Friday – please bring your PE kit

Here is an overview of some of the things we will be covering this term.

### Geography

In Geography we will be learning about where we live and about the area around our school. We will go out on a local walk and observe human and physical features of the environment. We will use our school grounds to develop our mapping skills.

### History

In History we will be looking at how toys have changed overtime. We will also be placing artefacts onto a timeline.

### Computing

We will learn how to login to our chrome books and use different tools
