## THIS WEEK

This week, we have continued practising our Christmas Nativity. The children have been amazing at singing the songs! Each child's individual lines are now in books bags. Please help your child practise these when you can. Children enjoyed PE this week where we practised bouncing the ball around a space and throwing the ball to a partner. The children are getting better at getting changed for PE. Please support them getting changed independently at home.

## LEARNING

In Maths, we have been learning all about the number 7 and 8. We have looked at the different ways we can make these numbers and also finding out what is one more and one less. In Drawing Club, we have continued looking at The Three Billy Goats Gruff. We spent time using our imagination to think what else the goats could use to get across if the bridge had sunk! The children came up with some great ideas.

## PHONICS

In phonics the children have now learnt lots of tricky words. This week the tricky words were: no, go, to, and into. Each child has a key ring which should be in their book bag.

Please practise these with your child.
