## THIS WEEK

This week our Nativity rehearsals have continued, and the children have been fantastic at singing their songs and practising their lines. Please help them rehearse at home if you can.

The children also enjoyed spending time with their Year 6 buddies, and in PE we have continued developing our ball skills. A reminder to please label all of your children's things.

## LEARNING

In Maths, we have been learning to compare quantities using vocabulary such as more, fewer and equal. We also continued developing our subitising skills.

In Drawing Club, we read Supertato: Evil Pea Rules. We explored the characters, the setting, and thought about how the vegetables might escape Evil Pea! We also learnt lots of new vocabulary, including flee, capture, mischievous and command.

## PHONICS

It has been another busy week in phonics! The children have been working hard to learn new digraphs and are becoming much more confident at spotting them in words. Our tricky words this week were she, he and of.
