Friday 6<sup>th</sup> March

## THIS WEEK

We have had a fantastic week in Acorn class. On Tuesday we had a lovely lady come in from Cheshire Libraries to share a story with us and was even kind enough to give each child a copy of the book to take home. On Thursday we celebrated world book day. It was great seeing everyone dressed up and inspired by their love of reading. The day was filled with children sharing their favourite stories and listening to lots of different readers.

## PHONICS

In phonics we have continued reviewing our phase 3 graphemes and tricky words to ensure we are secure! Please continue supporting your child at home reading and practising the tricky words it helps them greatly.

## KEY DATES

Mystery reader: If you would like to join Acorn class this half term as a mystery reader to read a story to the class 10/15 minutes. Please email [admin@wimboldsley.cheshire.sch.uk](mailto:admin@wimboldsley.cheshire.sch.uk)

Our PE day is Monday

## LEARNING

This week in Maths, we have been using our comparison skills to identify when 2 sets are equal or not equal and then find the whole by combining the 2 parts. We have also began to recall some double facts. In drawing club our book of the week was carrot soup. The children had great fun painting vegetables, making healthy and unhealthy plate and writing a shopping list for the carrot soup.

# THIS WEEK IN ACORN CLASS...
