Thursday 21st May

Registration will remain open until 10.30 am to allow the children a lie-in.

Children are welcome to arrive from the normal time, however.

Need to know:

Children will wear bright blue caps whenever we are travelling and when we are in public spaces. This is so we can see our full school group at all times. We choose these over high-vis vests as so many other school parties are in high-vis vests during our visit; our caps stand out! They will also wear a silicone wristband with our school name and phone number on.

HMS Belfast is open to the public during the daytime. When it closes, a full security check is undertaken before we are allowed to return, to ensure no-one remains on the ship. The concierge/chaperone stays on the ship in separate quarters overnight, and there are exterior security checks during the night, conducted by the security team.

Children are allocated into small groups (approx. 1:5 or 6), and they will stay in these groups each time we travel (including walking), as well as at key points during the visit, for example, when exploring the museum.

Kit List:

To be included inside the overnight bag – no suitcases and children must be able to carry these comfortably whilst walking at pace:

Sleeping bag (let us know if you do not have one in case we can source one for you)

Pillow case

Hand towel

Flannel

Soap

Toothbrush

Toothpaste

Deodorant (no aerosols)

Hairbrush/comb

Hair bobble(s) for long hair

Pyjamas

2 changes of top/T-shirt

Underwear

Socks

Layers, eg zip tops - one change maximum

Strictly no sweets or snacks for midnight feasts

Carrier bag for dirty/wet clothes

Please make sure all items of clothing are named and that your child packs their bag with you so that they know what they have brought.

They must be able to re-pack their own bag, including their sleeping bag (please practise!), for our return. Please also make sure children can tie their own laces!

Last year, Mountain Warehouse at Affinity/Freeport offered 20% discount a few weeks before the residential, in case any parents needed to buy anything. They just asked for proof that the child attended Highfields). I will try to organise this again nearer to the time.

In the rucksack for during the day:

2 x refillable bottles (both full for day 1, no fizzy drinks)

Lunch (please ensure this is in a disposable bag rather than a lunch box)

Plenty of snacks for day 1 - please consider the weather so we haven't got lots of mess with melted chocolate

Book/puzzle book for on the train

Small packet of sweets for the journey

Also:

Lightweight waterproof coat with a hood

Trainers (not Crocs/pumps/Converse style, as we will be doing lots of walking – they must be comfortable and worn in)

We will provide sun cream

Everything the children bring must be in 2 bags – their day bag (rucksack/backpack) and their overnight bag. Sleeping bags MUST be in their overnight bag and not attached.

Electronics, including mobile phones and smart watches, must not be brought on the residential.

Children can bring a disposable camera or a cheap digital camera, but these will remain the responsibility of the child at all times and we will not be able to replace them if they are lost or broken.

Medication:

All medication must be handed to a member of staff on Friday 15th May, with the exception of any medication that is needed over the weekend; this should be provided on the morning of 18th May, but you will need to arrive at Crewe Station by 7.50am to do this handover. We should be made aware during the week before the visit if this needs to happen and this should be the exception, being avoided if at all possible. I will keep an eye on SeeSaw over the weekend of 16th/17th May just in case there are any updates to this. We will take inhalers from school. Medication must be named with dosage details clearly identified, Travel sickness tablets should be taken as per the instructions.
