

Croeso / Welcome

Class Teacher: Mrs Gibbons

Our class topic is: Journeys

Here are some of the ways in which your child will be learning during this Autumn term.

LANGUAGE, LITERACY AND COMMUNICATION

In Literacy, we will be focussing on phonics and listening to lots of stories.

We will be looking at the story Little Red Riding Hood.

Children will be introduced to the Welsh language through daily Helpwr Heddiw sessions.

MATHEMATICS AND NUMERACY

We will be singing lots of counting songs and playing number recognition games.

TOPIC

We will be looking at colours and exploring different ways to mark make.

We will be thinking about journeys we can make and how we can make them.

Important information for you to know:

Forest School: Children will be having a Forest School session once a week. Every child has wellies and overalls provided by school although you are welcome to send your own in. These will be kept in school to be used for our Forest School sessions.

What children should bring to school: A bottle of water, a healthy snack and a coat.

Medication / allergies: Please send in any medication in a clearly labelled small sandwich style box or resealable bag. Please inform us of any allergies.

How to help at home:

Daily reading: Reading is one of the most important skills children can have. Please read with your child as much as possible.

Language, Literacy and Communication

Share ideas or news with family members.

Recognise their name.

Listen carefully to questions and then answer with an appropriate answer.

Use correct tense when speaking e.g. bought not buyed, swam not swimmied.

Ask your child to explain what they have been learning and what they have been up to during the school day.

Read a book together. Listening to stories supports both the reading and writing process.

Answer questions about their book and express opinions.

Visit a local library to explore and choose books to read.

Mathematics and Numeracy			
Using & applying	Number	Shape, Space & Measure	Handling data
Encourage your child to... Ask your child to tell you what they have been learning in school. Ask them to explain how they found a particular answer to a question.	Help your child to... Count and order numbers. Sing number songs e.g. five little speckled frogs. Form numbers correctly. Count objects.	Encourage your child to... Recognise 2D shapes and name them.	Help your child to... Sorting objects into groups.
