

St Anthony's Catholic Primary School

A message from Mrs Morris

Dear Families,

As the colder weather settles in, I hope you are all keeping warm and well. Please do remember to send children to school with coats, hats, and gloves —our classes love using the outdoors in all seasons, and being wrapped up means everyone can enjoy their learning comfortably.

Thank you to all for your generous support for Children in Need. It was wonderful to see the children dressed up for our non-uniform day, and your kindness will make a real difference.

On Remembrance Day, the children showed great respect as we held the two minutes' silence, and the Upper School completed some truly thoughtful work. This sense of reflection continued when we came together for Mass as a whole school; it was a delight to see how beautifully the children behaved in church. Their reverence and attentiveness were a real credit to them.

As we look ahead to December, the excitement is certainly building! Preparations are well underway for our Christmas performance, The Stars Come Out for Christmas, and it promises to be a real treat! We are also looking forward to our Christmas Fayre and the ever-popular Christmas Disco! This year, we are delighted to have the added excitement of a whole-school trip to the pantomime! We will be heading to the Storyhouse in Chester to see Beauty and the Beast—a magical experience we know the children will absolutely love.

We will also come together for our Advent Mass and Christmas Service, both meaningful celebrations as we prepare for this very special season. Of Christmas.

There is so much joy and anticipation in the air, and I look forward to sharing these festive weeks with everyone.

Warmest wishes,
Mrs C Morris

LOWER SCHOOL

We have had a very busy few weeks since returning after half term. The children have been working hard on their phonics, letter formation and sentence building.

They have enjoyed grouping numbers in their maths lessons, getting creative in our creative area and learned about why we raise money for charities such as the Poppy Appeal and Children in Need.

The older children in class have been working hard on their Welsh words. This month they have been learning body parts in Welsh.

The season of change Leaving past selves

Lower School have been learning about mud houses. The children were tasked with making their own using different materials.

Upper School

Since our last newsletter Upper School have been busy learning all about Remembrance, Anti-bullying, Guy Fawkes and Children in Need. In our outdoor learning we have explored natural dyes and den building. In class we are working on individual projects relating to our 'Here, There and Everywhere' topic and created our own documentaries after researching David Attenborough.

****Remember to check 'Seesaw' to see what we've been up to.**

Upper School have been learning about
Guy Fawkes and why we celebrate
bonfire night.

1st December - Dress the Christmas tree. Decorations will be going up throughout school.

3rd December - Christmas Dinner, Christmas jumpers can be worn.
