

St Anthony's Catholic Primary School

A message from Mrs Morris

As we come to the end of another busy and successful Spring term, I would like to thank you for your continued support. It has been a wonderful term, with many opportunities for our children to grow academically, spiritually and socially.

We have had a few staffing updates this term. We were very pleased to welcome Mrs Gibbons back, and it has been lovely to have Mrs Franco return from maternity leave. We also thank Ms Durcan for her valuable contribution to the school and hope she will continue to support us in the future. Huge thanks to Mr Broderick who has stepped in to cover as class teacher in Mrs Gibbon's absence. We wish him the best of luck in the future. Mrs Woods has taken on a new role focusing on Additional learning needs interventions and developing our Cymraeg Campus work.

There have been many highlights to celebrate this term. Our links with the parish continue to grow, with regular visits to St Anthony's Church for whole school Mass, these are always special occasions for our children. Preparation for First Holy Communion is now underway, and we look forward to supporting our pupils and families on this important step in their faith journey. We are incredibly proud of the children's success in the TTRockstars NSPCC tournament, where we placed 34th out of over 4,000 schools — a fantastic achievement. The term has also been enriched by a range of special events, including our "Break the Rules" day, our Eisteddfod celebrations, and World Book Day, where it was lovely to see families sharing books together. Our Year 6 pupils have also done very well in completing their cycling proficiency training.

As we look ahead, we are excited for our Easter Bonnet Parade on Thursday and Cerebral palsy awareness by wearing green on Friday.

Thank you once again for your continued support.

We wish you all a happy and peaceful Easter.

WORLD BOOK DAY 2026 LOWER SCHOOL

World Book Day 2026 Upper School

*To all the St
Anthony's Mums*

*Happy Mother's Day,
We hope you enjoyed your gifts?*

Lower School

This month we have been using as many Welsh words as possible. We are learning about everyday words such as, days of the week and months of the year. We are using Welsh all through the classroom and in our outdoor areas. Da iawn pawb!

Upper School

As part of our healthy living topic the class has been concentrating on teeth. They had great fun taking photos of their own teeth

This term Upper School have been learning about 'signs of spring' in art classes and outdoor learning.

Spring Time

The children have enjoyed playing in the spring sunshine at lunchtimes. Daisy chains, rolling around on the grass and acrobatics!

EASTER BONNETS

This year we have purchased each child in school an Easter bonnet and provided Easter craft for the children to decorate their own bonnet however they like. We have been able to do this with some of the fundraising money you have helped us raise. Thank you!

The children have been working hard on their Easter bonnets this week preparing them for our Easter bonnet parade.

Photos will be posted on Seesaw and Facebook.

Here are some useful websites to help your child with their Welsh learning.

HAPPY EASTER

**WE WISH YOU ALL A BLESSED
AND JOYFUL EASTER AND PRAY
THAT THE SUN SHINES OVER
THE EASTER BREAK.**
