## Pets and vets!

This week we have been learning all about pets and vets! We have enjoyed thinking about our own class pets, Basil the tortoise and Pumpkin the fish. We have been thinking about everything we need to do to take care of them. It has been lots of fun playing in our new role play veterinary clinic. Some of us have been taking on the role of the vet and others the role of the animal owner.

We will continue to explore this theme next week through the stories; 'The Great Pet Sale' and 'What Pet Should I Get?'

## Wellies!

To launch our EYFS 2025 **book drop** we are going to go for a walk to **Mason Wood**. All children will require a pair of wellies to then be left in school for further forest school activities. Please ensure that they are clearly named - do not rely on your child to recognise their own wellies.

We would advise that fleece lined wellies are not suitable to be stored in our outdoor classroom.

## Home Learning

All children are now coming home with a **reading book** and a home-school diary. Please ensure you read with your child **every day**. This is the most important thing you can do at home to support your child's learning. Please ensure you **sign the home-school diary** each day that you have read together.

You will now also start to receive weekly **phonics home learning** activities through the **Seesaw** app. These activities are linked to the sounds that your child has learnt each week in their phonics lessons.

Please ensure that you share a **photograph** on Seesaw of something that your child has done every weekend. This will support them to speak with more confidence in their Key Worker group.
