A Twinkly Nativity

We are excited to share that work is beginning next week to prepare for our **Nativity Performance**. This year we are performing 'A Twinkly Nativity'. This is a ticketed event so please ensure you read the information that has been shared on **School Spider**. The performances will be on **Thursday 11th** and **Friday 12th December**. Further information about roles and costumes will be shared over the next few weeks.

Zips and Coats

Now that the weather has truly turned wintry, we are insisting that all children zip up their coats before going outside. Your child is expected to do this **independently** so we ask that you encourage your child to practice this as much as possible at home.

Some children are currently wearing coats that they find very tricky to fasten due to the length or design. We ask that you consider sending your child with a different coat if they can not manage fastening it by themselves. Thank you!

Interfaith Week

This week has been **Interfaith Week** and we have been learning all about special books. We discussed religious books but also special stories that are not linked to a faith.

We listened to the story **Noah's Ark** and the children were very interested to know that it features in the Qur'an, the Bible and the Torah. It inspired lots of lovely play including a big group of children building an Ark outside.

We would love to see any photographs of your special books from home on Seesaw.

Newsletter

It has been noted that many parents are missing information that has been shared on the **whole school newsletter**. Please ensure that you read the whole school newsletter each week so that you are up to date with everything that is happening in school. A paper copy has been placed in your child's book bag this week but it is always available on our school website.
