Who's that trip trapping over my bridge?

We have had lots of fun reading the story, 'The Three Billy Goats Gruff' this week. The children have been busy retelling the story in the small world area and at our 'Once Upon a Time Theatre'. They have been super at using different voices for the different characters.

We have been drawing pictures of the Troll in our Busy Books and thinking of good words to describe him. When your child is drawing pictures at home, try and encourage them to think about all of the different body parts - especially making sure that they have a head and a body with arms and legs coming out of the correct place.

In maths we have been learning about the numbers 11-20 so please continue to practice recognising these at home.

Run, run as fast as you can!

Next week we are going to be reading 'The Gingerbread Man'. We are excited to be doing some more baking and making our very own Gingerbread Men - hopefully ours will not run away! We know that many children enjoying cooking and baking at home with their families. We would love to see some pictures on SeeSaw of children helping to cook or bake things at home.
