

# SHERWOOD PRIMARY SCHOOL

## YEAR 1 HOMEWORK

### Spring Term 2026 – First Half

#### READING WITH YOUR CHILD

Please continue to hear your child read every day, and to discuss the text and new vocabulary with them, to further deepen their comprehension skills. Children that have their diary signed daily will be rewarded with stickers and house points so please ensure that you are recording reading with them. By this point in the year children should be reading at least half of the book on day 1, half of the book on day 2, then re-reading for fluency on day 3.

#### KEY MENTAL MATHS SKILLS TO REHEARSE ORALLY THIS HALF TERM

Please practise counting speedily in 2s, 5s and 10s so that your child can rapidly recall all of them. In particular we have found children to be finding their 5s a little tricky. Additionally, rapid recall of number bonds to 20 helps hugely with calculation.

1	In Maths this week we have been revisiting counting forwards and backwards to 100 (we found counting backwards particularly tricky!) as well as the vocabulary more, greater, less and fewer. Please complete pages 8 and 9 of your Maths homework book.	This week in English we have been exploring what makes a sentence and how we know when a sentence is complete and correct. In your green books see if you can correct the sentences so that they make a complete sentence.	We are working hard on our pre-cursive handwriting in Year 1 using our lead in and leads outs. We are not joining our letters but just making the correct shape. When you are writing your English sentences this week try really hard to form each of your letters cursively.	14/01/2026
