Lunar New Year

We have been exploring the Lunar New Year which was celebrated over the half term holidays. The children have learnt how this is celebrated in many homes and cities around the world. We loved watching a video of a Chinese new year parade - especially the dragon and lion dances!

Our home corner has been decorated (thank you to Lucas and his family for the beautiful fai chun decorations!) and we have had lots of items out for the children to get hands on and explore.

World Book Day

WORLD BOOK DAY
5 MARCH 2026

Next Thursday is **World Book Day**. Children are invited to come into school dressed as their **favourite book character**. They can bring along a copy of their favourite book too.

We have a fun day of activities planned, all linked to stories and the world of books! Please read the **school newsletter** for all the information about what is happening next week.

As part of our celebrations, the children will be visiting our school library for the first time. They will begin to choose a book to bring home and share with you each week. Please ensure these books are returned to school each **Wednesday**.

2026 is the National Year of Reading and Sherwood are excited to take part! We love reading and stories and can't wait to **go all in!** Further information will be shared about how we are celebrating the National Year of Reading at school over the coming months.
