

READING WITH YOUR CHILD

Please continue to hear your child read every day, and to discuss the text and new vocabulary with them, to further deepen their comprehension skills. Children that have their diary signed daily will be rewarded with stickers and house points so please ensure that you are recording reading with them. By this point in the year children should be reading at least half of the book on day 1, half of the book on day 2, then re-reading for fluency on day 3.

KEY MENTAL MATHS SKILLS TO REHEARSE ORALLY THIS HALF TERM

Please practise counting speedily in 2s, 5s and 10s so that your child can rapidly recall all of them. In particular we have found children to be finding their 5s a little tricky. Additionally, rapid recall of number bonds to 20 helps hugely with calculation.

Week	Core Task 1	Core Task 2	Reading focus	Deadline for completion
1	In Maths this week, we have been exploring measurement using cm and m. Please complete pages 29 and 30 in your Maths homework book.	In RE, we are going to be exploring different families. Please upload a photo of your family onto seesaw. We will look at these in our RE lesson.	As a phonics focus this week, please complete the activity in green books . You are to colour code the alien (not real words) and real words. Children can add sound buttons to words to support them.	4/03/2026
