Popocatépetl is a big volcano,
Far away in Mexico.

Popocatepetl, old
Popocatépetl, goes bang!
Sizzle, sizzle, bang!

So you won't forget that...

...Popocatépetl is a big volcano.

Mexican Wave

You don't have to go
To old Mexico,
To learn how to do
A game that is new
A hundred or more
Could manage I'm sure
For crowds who are brave
It's a Mexican Wave!

*You don't have to go
To old Mexico,
To learn how to do
A game that is new.
A hundred or more
Could manage I'm sure
For crowds who are brave
It's a Mexican Wave!*

You stand and you sit
No need to be fit!
It ripples along
Like notes in a song.
It has to be right
The timing is tight
As close as a shave
It's a Mexican Wave!

*You stand and you sit
No need to be fit!
It ripples along
Like notes in a song.
It has to be right
The timing is tight
As close as a shave
It's a Mexican Wave!*

I am the Earth

I am the river flowing
I am the desert dry
I am the four winds blowing
I am the sunset sky

I am the forest breathing
I am the ocean wide
I am the storm clouds gathering
I am the mountain high

I am the Earth I am the Earth
I am the Earth
I am the Earth

We are the children growing
You are the place we live
We are the seed you're sowing
We are the life you give

We are the future rising
We will be your voice
We will watch and learn from you
We will make the choice

*I am the Earth
You're in our hands*

*I am the Earth
We're in your care*

*I am the Earth
Together we stand*

*I am the Earth
This moment in time we share*

I am the river flowing
We are the children growing
I am the desert dry
You are the place we live
I am the four winds blowing
We are the seed you're sowing
I am the sunset sky We are the life you give

I am the forest breathing
We will be your voice
I am the storm clouds gathering
We will make the choice

*I am the Earth
You're in our hands
I am the Earth
We're in your care
I am the Earth
Together we stand
I am the Earth
This moment in time we share*

We share the future
Stand side by side
One Earth, one people
We'll turn the tide
And in the future
They'll say with pride
One Earth, one people
We turned the tide
Side by side
Side by side
Side by side

HOW FAR I'LL GO from Moana

I've been staring at the edge of the water
Long as I can remember never really knowing why.
I wish I could be the perfect daughter
But I come back to the water no matter how hard
I try.

Every turn I take, every trail I track,
Every path I make, every road leads back
To the place I know where I cannot go
Where I long to be.

See the line where the sky meets the sea, it calls
me

And no one knows how far it goes.

If the wind in my sail on the sea stays behind me,

One day I'll know

If I go there's just no telling how far I'll go.

I know everybody on this island

Seems so happy on this island.

Everything is by design.

I know everybody on this island

Has a role on this island,

So maybe I can roll with mine.

I can lead with pride, I can make us strong,

I'll be satisfied if I play along.

But the voice inside sings a different song.

What is wrong with me?

See the light as it shines on the sea, it's
blinding

But no one knows how deep it goes.

And it seems like it's calling out to me, so come
find me

And let me know,

What's beyond that line, will I cross that line?

See the line where the sky meets the sea, it
calls me

And no one knows how far it goes.

If the wind in my sail on the sea stays behind
me

One day I'll know how far I'll go.
