## Ramadan Kareem!

This week the children have been learning all about **Ramadan**. We have added some enhancements to our home corner and the children have really enjoyed role playing having an **Iftar** meal with their friends. Some of our Muslim children have been proud to show their friends how they pray and have been great at answering lots of questions.

Next week we will be learning all about **Eid** and getting our home corner ready for the upcoming celebrations!

## Library books

A reminder that children will be visiting the school library every **Wednesday**. Please ensure that library books are in your child's book bag on this day. Children will not be able to take out a new library book until they have returned their previous one.

## Superheroes

Next week we will begin our work on superheroes. We are going to spend a week reading the story, '**Superworm**' and then will move on to read '**Supertato**'. This is always a very popular topic that is sure to inspire lots of imaginative play!

Our role play area has been turned into a **police station**, ready for our super detectives to help solve lots of mysteries!

## Can you help?

Next week we are going to be reading the story '**Superworm**' by Julia Donaldson. As part of our learning, we are going to be going to Forest School to make our very own **wormeries**. For this activity we are going to need some **2 litre clear plastic bottles** so would greatly appreciate any donations!
