Eid Mubarak!

We send our very best wishes to all children and their families celebrating Eid this weekend. We hope that you have a wonderful time celebrating with family and friends.

We would love to see some photographs of your celebrations on Seesaw. They really help the children to be able to talk with confidence about their experiences at home.

Superheroes to the rescue!

The children have been full of enthusiasm for our new **Superheroes** topic this week! The police station role play area has been a big hit, with lots of crimes being investigated! They have had fun taking fingerprints, recording incidents and locking criminals up in jail!

Phonics has been getting tricky for lots of us recently! There are so many new digraphs look out for in words. We have been practising looking out for them in a fun word detectives game. The children have used mirrors to help them read back to front words and have written them on a list.

Our Superhero story this week has been **Superworm**. The children have been busy exploring rhyming words and thinking of some good new describing words.

Doubling and halving

In our maths lessons over the last couple of weeks we have been focusing on the concepts of doubling and halving. We have used practical objects to help us explore these concepts and have even started to memorise some doubling and halving facts. Dominoes is a great game for exploring these concepts at home!

Summer Uniform

After the Easter break, children are invited to come to school in their Summer uniform. Please refer to the school website for details: <https://www.sherwood.lancs.sch.uk/page/school-uniform/35140> Please note that children do not need to wear a tie if they are wearing a polo shirt.
