## Smithills Farm

We are all very excited about our trip to Smithills Farm next Friday. Some key things to remember:

Children should come to school in their **own clothes**, with their **school jumper or cardigan** on top.

Please ensure clothing and footwear are appropriate for the weather on the day and suitable for a day at the farm.

The coach will be leaving promptly once the children have registered so please ensure that your child **arrives to school on time**.

Your child **will be provided with a packed lunch and drink**. If your child usually brings a packed lunch to school, they are welcome to bring their own lunch on the trip. Please ensure that it comes in a disposable bag.

Finally, please ensure that you have completed the **consent form** on School Spider and made **payment** through Parent Pay. Thank you for your support.

## Uniform

As the weather is starting to get warmer, more children are starting to remove their jumpers and cardigans throughout the school day. Please can you ensure that your child's cardigan/jumper is **clearly labelled** so that we can easily return them to their owner at the end of the day! We have had many unnamed items in the cloakroom and it has been difficult to ensure that they are going home with the right child.

Please also check that any sticker/iron on labels are still attached as we have noticed several that have become loose/fallen off.

## Library Books

A reminder that all library books should be returned to school on a **Wednesday**. We now have quite a long list of outstanding library books and children are becoming disappointed when they can not take out a new one.

## The Very Hungry Caterpillar

This week we have been learning about the life cycle of a butterfly and we have enjoyed retelling the story of 'The Very Hungry Caterpillar'.
