GO ALL IN!

We are starting to get excited about our **GO ALL IN** reading festival in a few weeks time! For one of our activities on the day, your child is going to need a **small, empty shoebox**. Please start hunting in your cupboards now and starting bringing them in **w/c 22nd June**. If you have any spares then we would appreciate them too!

On Safari

This week we began our new 'On Safari' topic. We have been reading the story **Elmer** and enjoyed lots of lovely activities exploring colour. Some children made their own outdoor paint by crushing some chalk and mixing it with water. They then used the paint to create some beautiful patterns on the ground in our adventure area.

Seesaw

You may have noticed that your child has started to post their own work onto Seesaw this week!

We have taught the children how to independently use the iPads to scan a **QR code** to access their Seesaw profile, take a quality **photograph** and then record a clear **audio** description of their work. They even know how to **log out** ready for the next user!

This prepares the children for the move into **Year 1** where they will be expected to frequently use Seesaw to access and complete work tasks.

Please enjoy **sharing** these posts with your child at home and celebrate the moments they have felt proud to share with us on their learning profile.
