Sports superstars!

On Tuesday we took 6 children to West View Leisure Centre to take part in a Miniskills tournament against other local primary schools. The children did exceptionally well and represented our school beautifully. They took part in a range of different activities and came 3rd overall! We were very excited to receive medals and a special trophy for school!

Go all in!

A reminder that every child will need a small, empty shoebox for a craft activity on our **Go all in! Reading Festival** which is on **Monday 29th June**. You can start to bring these into school from next week. If you have any spare boxes that you are happy to donate that would be amazing - thank you!

Football fever!

We have been excited to see the start of the World Cup this week and have had lots of fun exploring the flags of the different countries that are taking part in the tournament.

Lots of children have been really interested in this topic so we will continue to enhance our classroom with activities next week!

Plastic bottles

We are also on the hunt for some small clear plastic bottles (approximately 500ml size) for an activity next week. If you have any bottles that you could donate that would be amazing - thank you!
