Go all in!

We had a fantastic day on Monday for our **GO ALL IN! Reading Festival**. The children read three books and rotated around different activities linked to the themes. They spent time with Captain Stamp and Captain Thorpe at **Pirate School**, playing pirate games, making pirate hats and learning a pirate dance. They also turned their shoeboxes (thank you for your contributions!) into beautiful **aquariums** with Mrs Hall and Mrs Patel. The final activity was a trip to forest school with Mrs Hanson and Mrs Hanson where the children collected colourful items from nature to make a **crown**. What a super fun day!

Transition

The children will be going up to their new Year 1 classrooms with **Mrs Hanson** and **Miss Vickery** on **Monday** morning. This will be a super opportunity for the children to get to see their new learning environment and to meet all of the staff who will be working with them.

Around the World

Thank you for all of the wonderful photographs that have already been shared via Seesaw of your child or family in different locations around the world. Please continue to share these next week as they are a great discussion point for our current topic. Thank you!
