Sherwood Primary School

Uniform Policy

Equality

At Sherwood, we believe that equality should permeate every aspect of School life and is the responsibility of every member of our School Community.

Every member of our School Community should feel safe, secure, valued and of equal worth. We are committed to ensuring equality of education and opportunity for all pupils; irrespective of race, gender, gender variance, disability, belief, religion socio-economic background or sexual orientation.

It is our aim to understand and tackle the different barriers which could lead to unequal outcomes for different groups of pupils in School. The Equality Act provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It is our aim to celebrate and value the equal opportunity achievements and strengths of all members of our School Community.

Introduction

A high standard of personal appearance is expected of all members of the school community at all times and the uniform policy for pupils plays a key part in helping us to achieve this. We are proud of our school uniform and encourage children to also feel proud of belonging to Sherwood Primary School. We positively encourage our children to take responsibility for their personal appearance.

Aims and objectives

It is our school policy that all children wear school uniform when attending school, or when participating in a school organised event outside normal school hours, with the notion that School Uniform:

- promotes a sense of pride in the school;
- engenders a sense of community and belonging towards the school;
- is practical and smart;
- identifies the children with the school;
- prevents children from coming to school in fashion clothes that could be distracting in class;
- makes children feel equal to their peers in terms of appearance;

- is regarded as suitable wear for school and good value for money by most parents;
- is designed with health and safety in mind.

Our School Uniform policy complies with DfE Statutory Guidance for Schools. The number of compulsory branded uniform and PE kit items at Sherwood Primary School is therefore three.

Jewellery

On health and safety grounds we do not allow children to wear jewellery in our school. Parents are requested to ensure that earrings can be removed for school.

Hair

Pupils are permitted to wear small, simple hair accessories but these must be in keeping with the school uniform colours. Long hair must be tied back at all times.

The school does not permit children to have 'extreme' haircuts that could serve as a distraction to other children.

Footwear

We want all children to grow into healthy adults. We believe that it is dangerous for children to wear shoes that have platform soles or high heels, so we do not allow children to wear such shoes in our school. All pupils are asked to wear a pair of flat black school shoes all year round. Boots or sandals are not permitted throughout the year.

Trainers

On the day of Physical Education, pupils require a pair of black plimsoles (EYFS/KS1) or trainers. Trainers must be suitable and designed for physical activity. Children are not permitted to wear fashion trainers (for example terrace trainers).

The role of Parents and Carers

We ask all parents who send their children to our school to support the school uniform policy. We believe that parents have a duty to send their children to school correctly dressed and ready for their daily schoolwork. One of the responsibilities of parents is to ensure that their child has the correct uniform, and that it is clean and in good repair.

If any parent would like the school to modify the uniform policy, they should make representation, in the first instance, to the headteacher. The school welcomes children from all backgrounds and faith communities. If there are serious reasons, for example on religious grounds, why parents want their child to wear clothes that differ from the school uniform, the school will look sympathetically at such requests.

The role of Governors

It is the governors' responsibility to ensure that the school uniform meets all regulations concerning equal opportunities.

Governors ensure that the school uniform policy helps children to dress sensibly, in clothing that is hardwearing, safe and practical.

Monitoring and review

The governing body monitors and reviews the school uniform policy through its committee work by:

- considering, with the headteacher, any requests from parents for individual children to have special dispensation with regard to school uniform;
- requiring the headteacher to report to the governors on the way the school uniform policy is implemented.
