You Choose

We have had so much fun exploring the book, 'You Choose' this week. This is a fab text for encouraging **communication** and developing **vocabulary**. We have explored different kinds of **homes**, modes of **transport**, **friends** and **family** members. We have learnt so much about each other and had lots of fun conversations. The children have then been practising their **scissor skills** making house pictures, developing their **pencil skills** drawing maps of their route to school and working on **drawing skills** by drawing pictures of their families. Don't forget to check out the school website gallery page for more photos from our week.

Communication

A reminder that staff are always available to speak to on the gate at the start and end of the school day.

If you wish to communicate a message at another time, can we politely request that you use the eyfs@sherwood.lancs.sch.uk email address rather than messaging through Seesaw. Seesaw should be used only to share achievements in learning or weekend news.

Homework...

We have set all children the challenge of practising getting **dressed** and **undressed** by themselves! Where possible, give your child the time to practice skills such as **fastening and unfastening buttons**, **pulling sleeves out of jumpers** and turning items of clothing the right way round. Doing this outside of the normal busy morning routine is ideal so that children can initially practice these skills without a time pressure. This is an important part of our **EYFS curriculum** and is assessed under 'Physical Development'.
