Friday 3rd October 2025

Dear Parent/Carer

Meeting for Parents in School, 9:00am Thursday 23rd October 2025:

Information about Year 4 Multiplication Tables Check Test (MTC)

In June 2026, all Year 4 children across the country will take part in an official government test called the 'Multiplication Tables Check' (MTC). The MTC tests children on their multiplication tables, also known as 'times tables'.

At Springfield, we value parent support in the practising of times tables at home. It is a vital element in helping children succeed with their times tables which, in turn, supports many other areas of mathematics.

You are invited to attend a meeting at school which will provide information to parents about the MTC and how best to help your child.

The meeting will be in the Meeting Room (through the main hall) and will start at 9:00am. The meeting will consist of a 15-minute presentation and time for questions. The meeting is estimated to finish around 9:30am. Please return the form below to let us know if you will be attending the meeting.

Yours faithfully,

Mr Melleney

Y4 Class Teacher
