

Homework grid Y2 Spring 2

We would like you to choose some of the homework ideas from this grid to do at home over the 5 week half-term. We will have time in school to talk about the homework we have done that week. If you want to bring your homework to school or email a photo of you doing an activity from the grid that would be great. This half-term our topic is all about the Schools. We will be reading the story called 'A Victorian Adventure' by Roderick Hunt.
