

Homework grid Y2 Summer 1

We would like you to choose some of the homework ideas from this grid to do at home over the half-term. We will have time in school to talk about the homework we have done that week. If you want to bring your homework to school or a photo of you doing an activity from the grid that would be great. This half-term we will be reading stories such as The Little Red Hen, poems about food that contain alliteration and rhyming words and information texts all about where our food comes from.

Weekly homework:

Spellings

Big Maths arithmetic sheet

Reading 5 times a week or more (school book, library books or www.activelearnprimary.co.uk)

<p>English and speaking and listening</p>	<p>Give somebody at home instructions for how to move around the room. Write down your instructions using imperative verbs.</p>	<p>Can you think of any stories you have read? What are they called? Which is your favourite? Why was it your favourite?</p>	<p>Have a go at this SPaG quiz about nouns and verbs: SPaG quiz You could make up your own quiz, too.</p> 	<p>Write an adventure story that is set in a castle. Think about your characters. Could there be a dragon in your story?</p> 
<p>Maths and problem solving</p>	<p>Practise the 2, 5, and 10 times tables. When you know these, keep practising $\div 2$, $\div 10$ and $\div 5$ facts.</p> 	<p>Use prepositions to describe where things are: On top of Next to Under Behind</p>	<p>Find some boxes and containers at home. Are they 2D or 3D? What shape are the boxes? Count how many faces, edges and vertices they have.</p>	<p>Go on www.sumdog.co.uk and see how many questions you can answer.</p> 
<p>Science and topic</p>	<p>Write a list of what plants need to stay alive.</p> 	<p>Have you got a plant at home? Or do you see any on your way to school? Observe how it grows over time. Can you label each part?</p> 	<p>Use the internet or books to find out where your food comes from.</p>	<p>Make a poster about where your food comes from.</p>
