English and speaking and listening	Phonics: visit www.phonicsplay.co.uk (Username: Victorian pass: spring1875) Revise level 2,3, 4 and 5 sounds at your own pace (see these sounds attached) play the phonics games to practice reading words using these sounds.	Write some statements about what you like doing. Don't forget a statement tells you something. E.g I like dancing. It should begin with a capital letter and end with a full stop.	Using the attached sheet of key words. Learn to read and spell the words at your own pace over this half term. These words will be tested in class.	Tell an adult about your favourite traditional tale. Why do you like it? Can they remember their favourite fairy tale from when they were a child?
Maths and problem solving	Practise counting in steps of 2, 5 and 10. Can you go forwards and backwards?	Sort the odd and even numbers on this fun game: http://www.crickweb.co.uk/ks2numeracy-properties-and-ordering.html	Practise counting forwards and backwards from different numbers between 0-100. 	Learn number bonds to 20.
Science and topic 	Find out about Mary Seacole from this website. Make a fact file about what you find out. https://www.natgeokids.com/uk/discover/history/gener-al-history/mary-seacole/	Find out about some folk tales or traditional tales from different countries. Find out a fact about the country the story comes from. e.g. Goldilocks and the 3 bears is from the UK. The capital city of UK is London.	Make a list of mammals, birds, amphibians and reptiles. e.g bird: robin. Mammal: cow Amphibian: salamander Reptiles: snake. How many can you list?
