More Year 4 highlights...

Look at these words.

On post it notes, write down different things that make you **NERVOUS**, **EXCITED** or **NOT SURE** about your move to Year 4.

Let us look at a 'typical' day in Year 4.

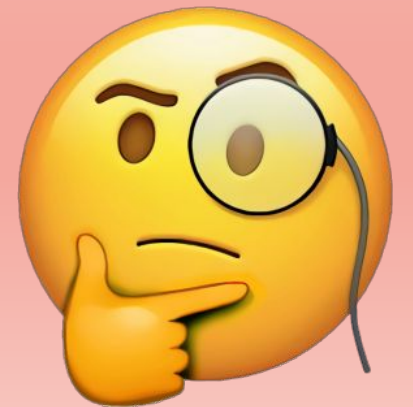

Our day starts at 8.30am. Register closes at 8.50am.

You will come through these gates at the front of the school.

You will then enter this door next to RECEPTION Classes.

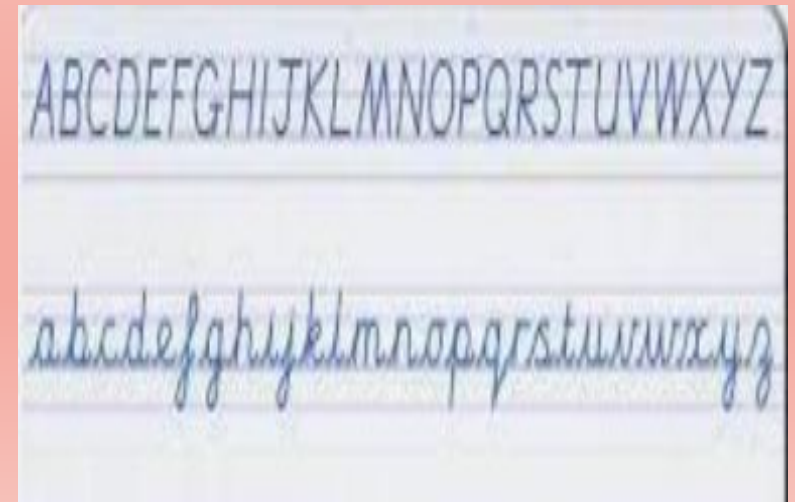

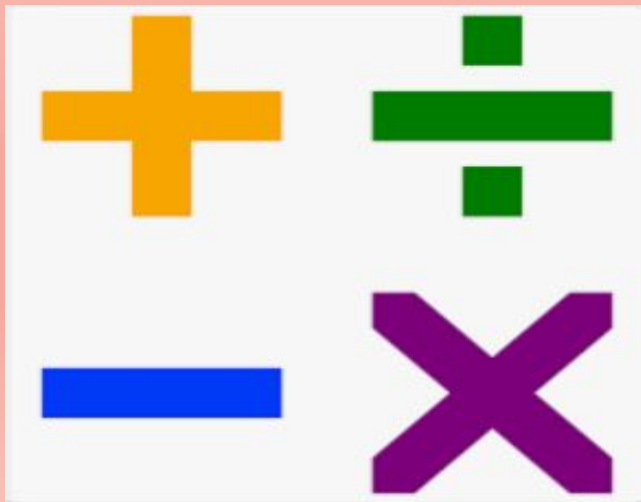

Once you come in, you walk up the nearest staircase and head straight to your cloakroom.

When you come into the corridor hang up your coats and bags on the peg that has your name above it.

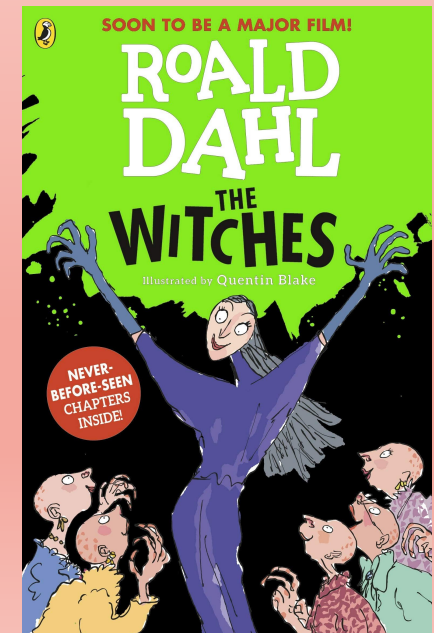

Then come into class and complete the activity that is on the board. This could be a 4 ADAY or HANDWRITING TASK.

Next we begin our ENGLISH lessons. Here we will learn grammar, spellings, write and read. We start with a really exciting book...

‘The Witches’ by Roald Dahl.

Does anyone know anything about this book?

Next in Year 4, we like to do Reading. In Reading, we like to separate you into different groups across the Year group. It might not be your class teacher teaching you Reading. It could be Mrs Harris, Mrs Bryant, Miss Clark, Mrs Howard, Miss Lloyd, Mrs Harrison or Mrs Bradshaw.

In Reading, we learn how to read through texts carefully, discuss vocabulary and answer questions using different skills.

Playtime and Toilets

At playtime, we play on the yard.

We can use the 4 square and sometimes get a chance to go on the MUGA. We use these toilets:

Please remember to be respectful in the toilets and follow our school rules. If anyone is being silly in the toilets, please tell an adult straight away.

BOYS

GIRLS

In the toilets we are:

SAFE

- Walk at all times
- Keep water in the sinks
- Keep hands and feet to yourself
- Keep feet on the floor
- Let others come in and out of the toilets
- Tell an adult about any inappropriate behavior or problems

RESPONSIBLE

- Only use the toilet roll you need
- Flush the toilet
- Wash your hands with soap and water
- Be timely - go in, use the toilet, wash up, leave

RESPECTFUL

- Respect everyone's privacy
- Wait patiently
- Keep the toilets clean and tidy
- Use quiet voices

Next, is Maths. In Maths we normally start our learning thinking about PLACE VALUE.

We then move onto ADDING, SUBTRACTING, MULTIPLYING and DIVIDING.

Do you know how to do these? Let's give it a go now!

$44 + 23 =$

$89 - 45 =$

$25 \div 5 =$

$4 \times 5 =$

LUNCH TIME

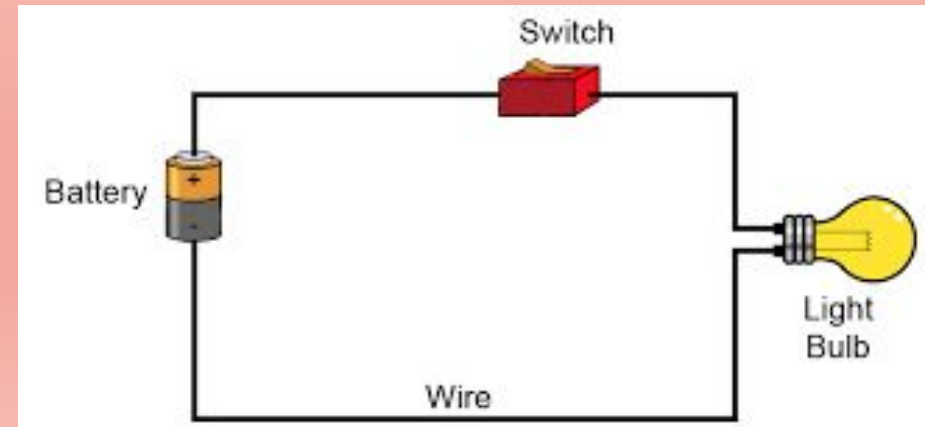

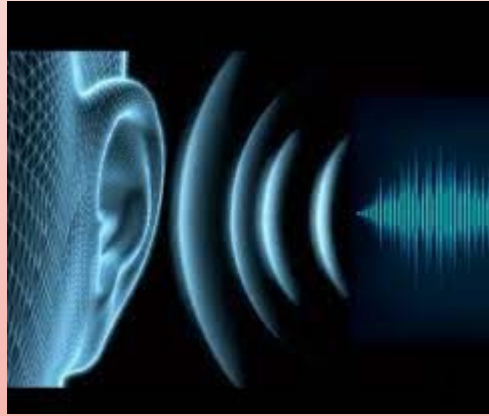

Year 4 normally go out to eat first at lunch time. After we eat, we play on the big yard, near the MUGA. Sometimes this changes so it could be different in September.

We must remember to follow the lunch time rules. Go into the hall and sit at your table. Only eat when everyone has lunch and remain seated until an adult tells you otherwise.

If it is wet play, we will remain in our classrooms to the hall for our lunch.

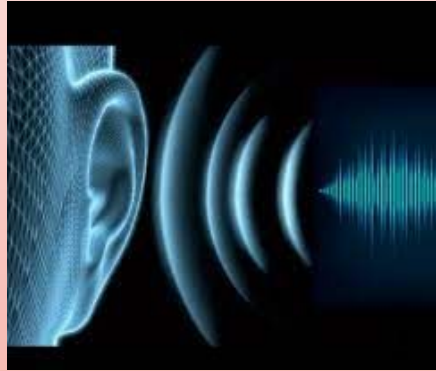

In the afternoons, we cover lots of different subjects. Can you guess what they might be?

Did you get any right? In Year 4, different teachers teach different subjects.

The Romans

Sound

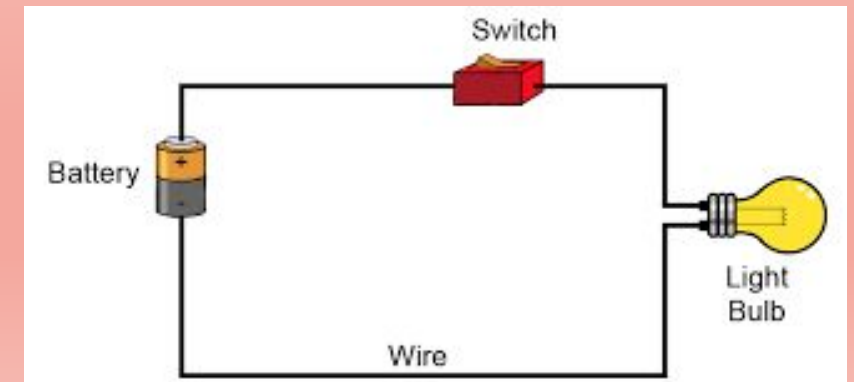

The Anglo-Saxons

Religious celebrations

Mountains

Electricity

Home time is at 3pm

We normally go down the staircase together at the end of the day. It is the SAME door that you came in from. Parents are normally waiting in the yard by the **INFANT TRIM TRAIL**.

It is always busy on the yard, so please make sure you let the staff know that you have seen your adult. If your adult is not there, you will wait with the member of staff.

We are Meta Learners

Metacognition is like being a brain superhero! It means knowing how and when to use our superpowers in order to think and learn.

We will be looking for:

Resilience

Independence

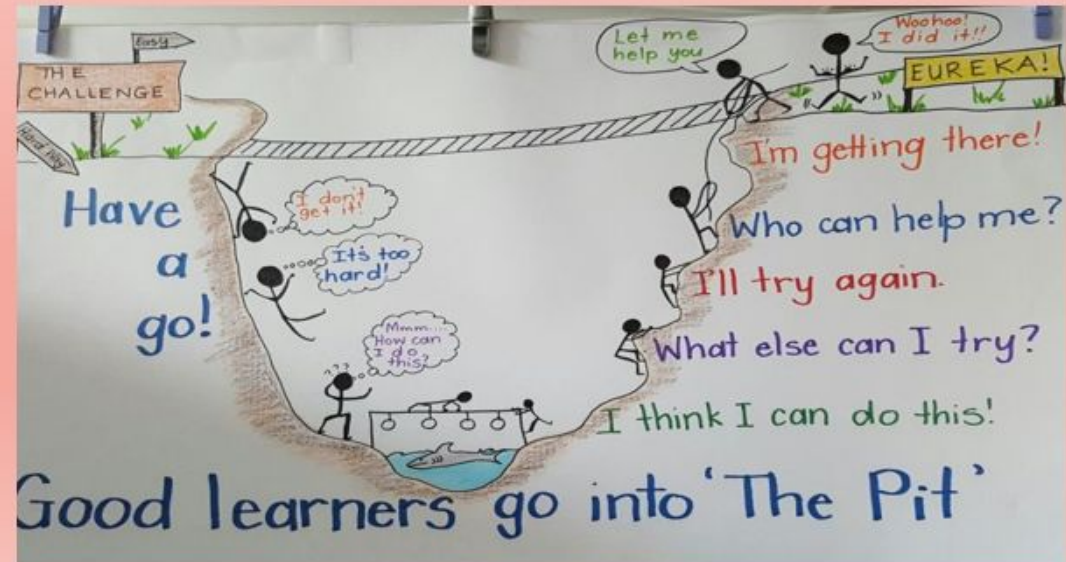

Curiosity

Flexibility

Risk-taking

You *will* be visiting **The Learning Pit**

Your thoughts about Year 4...

What are you looking forward to?

Is anything worrying you?

Do you know all the adults in the year group?

Any questions.....

Where are you on
the Roar Rainbow
now?
