

PE Curriculum Map 2026-2027

Timetables are split into PPA PE sessions - made up of predominantly games, and Teacher Taught PE sessions - made up of gymnastics, dance and other activities. If titled 'unit', the sessions do not have to be taught within a given term or half term so can be across terms excluding Swimming and Judo which are fixed times throughout the year. If titled Autumn, Spring or Summer, the topic should be completed within the term.
